

# **MATCH 9MM LUGER STRAIGHT FLUTED BARRELS FOR SIG SAUER® P365 - FAXON FIREARMS MATCH 9MM NON-THREADED STRAIGHT BBL FOR SIG SAUER P365 BLK**

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon's Match Series pistol barrels for SIG® P365 are machined in-house from stress-relieved 416-R stainless steel. These barrels are then given a black Nitride or PVD coating to increase lubricity, barrel life, and resistance to surface wear. All barrels are conventionally rifled to allow a wider range of ammunition to be used, including cast lead. The barrels drop into factory-spec slides with no gunsmithing required. Better-than-factory tolerances ensure a consistent, tighter lockup than OEM. SPECS Handgun Type: SIG® P365 Barrel Caliber: 9mm Profile: Straight Fluted, Drop In Barrel Material: Stress Relieved 416-R Stainless Steel Barrel Twist: 1:10 Crown: 11-degree Target Crown Rifling Type: Conventional Finish: Nitride

# MATCH 9MM LUGER STRAIGHT FLUTED BARRELS FOR SIG SAUER® P365 Safety Instruction Guide

## Introduction

Thank you for choosing the MATCH 9MM LUGER STRAIGHT FLUTED BARRELS for your SIG SAUER® P365 by Faxon Firearms. This guide is designed to provide you with essential safety information and usage instructions to ensure your safety and the proper functioning of the product. Please read this manual carefully before using the barrel.

## General Safety Guidelines

- Ensure safe handling and storage of the product to prevent accidents.
- Always treat the barrel as if it is loaded.
- Keep the barrel out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Use only compatible ammunition as specified in the product details.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Do not modify the barrel in any way, as this may compromise safety and performance.
- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is pointed in a safe direction at all times.
- Check for obstructions in the barrel before use.
- Do not use the barrel if it appears damaged or if you suspect it has been subjected to excessive heat or pressure.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory barrel from the SIG SAUER® P365 according to the manufacturer's instructions.
- Insert the MATCH 9MM LUGER barrel into the slide, ensuring it fits securely.
- Reassemble the firearm, following the manufacturer's guidelines.
- Check that the barrel is properly seated and that all components function correctly.

### 2. Usage:

- Use only 9mm Luger ammunition with the barrel.
- Follow all standard safety procedures when handling and firing your firearm.
- After firing, inspect the barrel for any signs of wear or damage.
- Clean the barrel regularly to maintain performance and prolong its lifespan.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm accessories.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product concerns, please refer to the manufacturer's website or contact their customer support. Ensure that you have the product model and serial number available for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MATCH 9MM LUGER STRAIGHT FLUTED BARREL for SIG SAUER® P365. Always prioritize safety and responsible usage.
