

MATCH 9MM LUGER STRAIGHT FLUTED BARREL FOR SIG SAUER P365 XL - FAXON FIREARMS MATCH 9MM THREADED STRAIGHT BBL FOR SIG SAUER P365XL BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon's Match Series pistol barrels for SIG® P365 XL are machined in-house from stress-relieved 416-R stainless steel. These barrels are then given a black Nitride or PVD coating to increase lubricity, barrel life, and resistance to surface wear. All barrels are conventionally rifled to allow a wider range of ammunition to be used, including cast lead. The barrels drop into factory-spec slides with no gunsmithing required. Better-than-factory tolerances ensure a consistent, tighter lockup than OEM.

Attributes

- Name: [FAXON FIREARMS MATCH 9MM THREADED STRAIGHT BBL FOR SIG SAUER P365XL BLACK](#)

Safety Instruction Guide for MATCH 9MM LUGER STRAIGHT FLUTED BARREL FOR SIG SAUER P365 XL

Introduction

Thank you for choosing the Faxon Firearms Match 9mm Luger Straight Fluted Barrel for your SIG Sauer P365 XL. This guide provides essential safety instructions and information to ensure the safe use and installation of this product. Please read this guide thoroughly before using the barrel.

General Safety Guidelines

- Ensure the barrel is compatible with your SIG Sauer P365 XL before installation.
- Always handle firearms and firearm components with care and respect.
- Keep the barrel and all components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Regularly inspect the barrel for signs of wear, damage, or corrosion.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only ammunition that is compatible with the 9mm Luger cartridge.
- Avoid using handloaded or reloaded ammunition unless you are a qualified expert.
- Ensure the firearm is unloaded before installing or removing the barrel.
- Do not exceed the manufacturer's recommended load limits when using the firearm.
- Be aware of the potential hazards associated with firearms, including accidental discharge.
- Always wear appropriate eye and ear protection when firing the firearm.
- Do not modify the barrel or any other firearm components without consulting a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Verify that the firearm is unloaded and pointed in a safe direction.
2. **Remove Factory Barrel:** Disassemble the firearm according to the manufacturer's instructions and remove the factory-installed barrel.
3. **Insert New Barrel:** Carefully insert the Faxon Firearms Match 9mm barrel into the slide, ensuring it fits securely.
4. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the firearm correctly.
5. **Function Check:** Conduct a function check to ensure the firearm operates correctly with the new barrel.

Usage

- Always follow safe handling practices when using the firearm.
- Regularly clean and maintain the barrel according to the manufacturer's recommendations.
- Monitor the performance of the firearm and barrel during use, looking for any signs of malfunction or abnormal wear.

Disposal Instructions

- Dispose of the barrel and any associated components in accordance with local regulations.

- Do not dispose of the barrel in regular household waste. Check for local recycling or hazardous waste facilities that accept firearm components.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for choosing Faxon Firearms. Your safety and satisfaction are our top priorities.
