# Safety Instruction Guide for EPC9 9MM/40 S&W Carbine Complete Lower

## Introduction

Thank you for choosing the Aero Precision EPC9 Complete Lower Receiver. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of your product. Please read this document carefully to ensure safe and effective use of your lower receiver.

## General Safety Guidelines

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Ensure that you are in a secure environment, free from distractions, when handling the lower receiver.
- Keep the product out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling or installing components.
- Regularly inspect the lower receiver and associated parts for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the lower receiver with incompatible parts or components.
- Ensure that the stock or brace used is properly installed and secured before use.
- Always use the appropriate caliber ammunition as specified for the EPC9 model.
- Avoid modifications that could compromise the integrity or safety of the lower receiver.
- Be aware of your surroundings and ensure a safe backdrop when firing.

## Instructions for Installation and Usage

### 1. Installation of Components:

- Ensure the lower receiver is clear of any ammunition.
- Install the Magpul MOE® grip by aligning it with the grip screw hole and tightening securely.
- Attach the buffer tube by threading it into the lower receiver until snug.
- Insert the buffer spring and buffer into the buffer tube.
- Secure the castle nut/end plate to prevent movement.

### 2. Using the Lower Receiver:

- Confirm that the firearm is unloaded before attaching the upper receiver.
- Ensure all components are properly installed and secured before attempting to fire.
- Familiarize yourself with the operation of the firearm, including safety mechanisms and trigger function.

### 3. Regular Maintenance:

- Clean the lower receiver regularly to prevent malfunctions.
- Lubricate moving parts as necessary, following the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the lower receiver and any associated components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Consult local authorities for proper disposal methods for firearms and firearmrelated items.

## Contact Information for Further Support

For any questions or concerns regarding the EPC9 Complete Lower Receiver, please reach out to your local dealer or visit the manufacturer's website for support resources.

This safety instruction guide is designed to help you use your Aero Precision EPC9 Complete Lower Receiver safely and effectively. By following these guidelines, you can ensure a safe shooting experience while enjoying your firearm.
