# EPC9 9MM/40 S&W Carbine Complete Lower Safety Instruction Guide

## Introduction

Thank you for choosing the Aero Precision EPC9 Complete Lower Receiver. This product is designed for use in custom AR9 builds and is manufactured to meet high safety standards. This guide provides essential safety instructions and information to ensure safe and effective use of the product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm components.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Use appropriate tools and follow installation instructions carefully to avoid injury.
  - Ensure that the workspace is clean and free of distractions during installation.
- **Handling Safety:**
  - Always treat the firearm as if it is loaded.
  - Keep your finger off the trigger until ready to shoot.
  - Store the firearm safely when not in use.
- **Maintenance Safety:**
  - Perform regular maintenance checks to ensure all components are functioning correctly.
  - Use only manufacturer approved parts and accessories.

## Instructions for Installation and Usage

### 1. Unpacking the Product:

- Carefully remove the EPC9 Complete Lower Receiver and all included components from the packaging.
- Inspect all parts for any visible damage or missing items.

### 2. Installation Steps:

- **EPC9 Lower Receiver:** Ensure the lower receiver is securely attached to the upper assembly.
- **A2 Pistol Grip:** Align the grip with the receiver and secure it using the provided screws.
- **M4 Stock:** Slide the stock onto the buffer tube and secure it in place.
- **Lower Parts Kit:** Install the lower parts as per the provided instructions, ensuring all components are seated correctly.
- **Buffer Tube and Spring:** Install the enhanced buffer tube and buffer spring, ensuring they are properly aligned.

### 3. Usage Instructions:

- Familiarize yourself with the operation of the EPC9 once assembled.

- Always wear appropriate safety gear, including eye and ear protection, when using the firearm.
- Follow all local laws regarding the use and operation of firearms.

## **Disposal Instructions**

- Dispose of the product and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging or on their official website.

By following these guidelines, you can ensure safe and responsible use of your Aero Precision EPC9 Complete Lower Receiver. Thank you for your attention to safety.
