[Rifle Parts](#) > [Receiver Parts](#) > [Ejection Port Cover Parts](#) > [Ejection Port Cover Assemblies](#)

YHM has long been a supplier of Caliber Marked upper receivers, but they soon asked themselves ""What if we want to change the caliber of that upper receiver?"" For this reason, they now offer caliber marked dust covers for those who may end up changing the caliber of their top end/upper receiver. SPECIFICATIONS Assemblies Include the following: Caliber Marked Dust Cover Rod and Retaining Clip Spring

CALIBER MARKED DUST COVER ASSEMBLIES

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Caliber Marked Dust Cover Assemblies from Yankee Hill Machine Co., Inc. This product is designed for use with caliber marked upper receivers, allowing for flexibility in caliber changes. It is important to follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is compatible with your upper receiver before installation.
- Use the product only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation or maintenance.
- Wear appropriate protective gear, such as safety glasses and gloves, during installation.
- Avoid using excessive force when installing or removing the dust cover assembly.
- Do not modify the product in any way, as this may compromise safety.
- Be aware of the potential for sharp edges during installation and handling.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components: Caliber Marked Dust Cover, Rod, Retaining Clip, and Spring.
- Ensure the firearm is unloaded and in a safe condition.

2. Installation Steps

- Remove the existing dust cover, if applicable, by following the manufacturer's instructions.
- Align the new Caliber Marked Dust Cover with the ejection port.
- Insert the Rod through the designated hole in the dust cover.
- Secure the Rod with the Retaining Clip, ensuring it is firmly in place.
- Attach the Spring to the appropriate location, ensuring it is correctly positioned.

3. Usage

- Verify that the dust cover operates smoothly by opening and closing it several times.
- Check that the caliber marking is clearly visible and corresponds to the intended caliber of the upper receiver.
- Always ensure the dust cover is properly closed when the firearm is not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- If the product is damaged or no longer usable, do not attempt to repair it; dispose of it responsibly.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the authorized dealer or manufacturer from whom you purchased the product. Ensure that you have the product details available for reference.

It is essential to adhere to these safety instructions to ensure the safe use of the Caliber Marked Dust Cover Assemblies. By following these guidelines, you contribute to a safer environment for yourself and others. Thank you for your attention to safety.
