[Rifle Parts](#) > [Receiver Parts](#) > [Ejection Port Cover Parts](#) > [Ejection Port Cover Assemblies](#)

YHM has long been a supplier of Caliber Marked upper receivers, but they soon asked themselves ""What if we want to change the caliber of that upper receiver?"" For this reason, they now offer caliber marked dust covers for those who may end up changing the caliber of their top end/upper receiver. SPECIFICATIONS Assemblies Include the following: Caliber Marked Dust Cover Rod and Retaining Clip Spring

Safety Instruction Guide for CALIBER MARKED DUST COVER ASSEMBLIES

Introduction

Thank you for choosing the Caliber Marked Dust Cover Assemblies from Yankee Hill Machine Co., Inc. This product is designed to enhance the versatility of your firearm's upper receiver by allowing for caliber changes. It is crucial to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Always handle firearms with care and in accordance with all local laws and regulations.
- Ensure that the firearm is unloaded before performing any installation or maintenance tasks.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the dust cover assembly for signs of wear or damage.
- In case of any malfunction or unusual behavior, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Only use the Caliber Marked Dust Cover Assemblies with compatible upper receivers.
- Ensure that the caliber marked on the dust cover matches the caliber of the ammunition being used.
- Do not attempt to modify or alter the dust cover assembly in any way.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure that you have a safe backdrop when firing.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing dust cover from the upper receiver.
- Align the Caliber Marked Dust Cover with the mounting points on the upper receiver.
- Insert the retaining clip and secure the dust cover in place.
- Check the functionality by manually operating the dust cover to ensure it opens and closes smoothly.

2. Usage Instructions:

- Before firing, confirm that the dust cover is properly secured and functioning.
- Use only the appropriate caliber ammunition as indicated by the dust cover.
- After use, clean the dust cover and surrounding areas to maintain functionality.

Disposal Instructions

- Dispose of any damaged or nonfunctional parts in accordance with local regulations.
- Do not throw away the product in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Caliber Marked Dust Cover Assemblies, please refer to the appropriate contact point or support resources provided by the manufacturer.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Caliber Marked Dust Cover Assemblies. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important guidelines.
