

# M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 30MM 1.50" 10 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

## Attributes

- Name: [AMERICAN RIFLE COMPANY 30MM 1.50" 10 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050409
- Mfr. No.: MB-M-30-38-10
- Elevation: 10 MOA
- Finish: Black
- Height: 1.50"
- Scope Tube Diameter: 30mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm
- UPC: 810094450298

# MBRACE Scope Mount Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Mount by American Rifle Company. This guide provides important safety information, installation instructions, and usage tips to ensure the safe and effective operation of your scope mount. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the scope mount is compatible with your rifle and scope specifications.
- Always inspect the scope mount for any damage or wear before installation and use.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When using the MBRACE Scope Mount, be aware of the following potential hazards:
  - Interference with the bolt handle when the mount is attached to the far aft recoil slot.
  - Ensure that the mount is securely fastened to prevent it from coming loose during use.
  - Always use the specified torque settings when tightening the scope clamp and rail mount screws:
    - Scope clamp and rail mount screws: 6.2 Nm (55 inlbs)
    - Bubble level screw: 3.4 Nm (30 inlbs)
- If you experience any issues with the mount, such as interference or instability, adjust the position on the picatinny rail accordingly.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Begin by ensuring that your rifle is unloaded and pointed in a safe direction.
- Select the appropriate location on the picatinny rail for mounting the scope.
- Align the MBRACE serrated interface block with the chosen slot on the picatinny rail.
- Secure the mount by tightening the screws to the specified torque settings.
- Confirm that the mount is stable and does not move when force is applied.

### 2. Usage Tips:

- Always check the tightness of the mount before each use.
- If you notice any movement or instability during use, stop immediately and inspect the mount.
- Maintain a proper shooting stance and ensure your rifle is secure when using the scope mount.

## Disposal Instructions

- Dispose of the MBRACE Scope Mount in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the scope mount in household waste or recycling bins.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MBACE Scope Mount, please refer to the contact details provided by your retailer or visit the official website of the American Rifle Company for further assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your MBACE Scope Mount responsibly.
