

M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 30MM 1.50" 20 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

Attributes

- Name: [AMERICAN RIFLE COMPANY 30MM 1.50" 20 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050410
- Mfr. No.: MBM303820
- Elevation: 20 MOA
- Finish: Black
- Height: 1.50"
- Scope Tube Diameter: 30mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm

MBRACE Scope Mount Safety Instructions

Introduction

Thank you for choosing the MBRACE Scope Mount by American Rifle Company. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your scope. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the MBRACE Scope Mount is used only for its intended purpose.
- Always inspect the product for any damage or wear before installation and use.
- Follow all local laws and regulations regarding firearm and scope usage.
- Store the scope mount in a cool, dry place when not in use.
- Keep the scope mount and all associated equipment out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Be aware of the potential hazards associated with improper installation or use of the scope mount.
- Avoid overtightening the screws, as this may damage the mount or the scope.
- When using the scope mount, ensure that it is securely attached to the picatinny rail to prevent any movement during use.
- If the scope mount interferes with the bolt handle, reposition the mount forward by one slot to avoid potential injury.
- Always use the recommended torque specifications:
 - 6.2 Nm (55 inlbs) on scope clamp and rail mount screws.
 - 3.4 Nm (30 inlbs) on bubble level screw.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench.
- Ensure the firearm is unloaded and in a safe condition before proceeding.

2. Installation of the Scope Mount

- Position the MBRACE Scope Mount on the picatinny rail.
- Ensure the mount is aligned correctly and securely seated in the desired position.
- Tighten the screws to the recommended torque specifications:
 - 6.2 Nm (55 inlbs) for scope clamp and rail mount screws.
 - 3.4 Nm (30 inlbs) for the bubble level screw.

3. Using the Scope Mount

- After installation, check the alignment of the scope and ensure it is securely mounted.
- If you encounter any resistance when opening the bolt handle, adjust the mount forward by one slot.

4. PostUse Inspection

- After each use, inspect the scope mount for any signs of wear or damage.
- Ensure that all screws remain tight and secure.

Disposal Instructions

- Dispose of the MBRACE Scope Mount in accordance with local regulations for electronic waste and metal products.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For assistance or inquiries regarding the MBRACE Scope Mount, please consult the American Rifle Company website or your local retailer for support.

By following these guidelines, you can ensure the safe and effective use of your MBRACE Scope Mount. Thank you for your attention to safety!
