

# M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 35MM 1.50" 10 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

## Attributes

- Name: [AMERICAN RIFLE COMPANY 35MM 1.50" 10 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050426
- Mfr. No.: MB-M-35-38-10
- Elevation: 10 MOA
- Finish: Black
- Height: 1.50"
- Scope Tube Diameter: 35mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm
- UPC: 810094450465

# MBRACE Scope Mount Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Mount by American Rifle Company. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the scope mount is compatible with your rifle and scope specifications.
- Inspect the scope mount before each use for any signs of damage or wear.
- Always follow the manufacturer's torque specifications during installation to prevent damage.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When using the MBRACE Scope Mount, be aware of the following potential hazards:
  - Interference with the bolt handle when the mount is attached to the far aft recoil slot.
  - Ensure that the mount is securely fastened to avoid any accidents during use.
- If you experience any difficulty with the scope mount, do not attempt to force it. Seek assistance from a qualified professional.
- Always use the scope mount in accordance with the manufacturer's recommendations to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure that your rifle is unloaded and in a safe condition before beginning installation.

### 2. Installation Steps:

- Position the MBRACE Scope Mount on the picatinny rail.
- If using the far aft recoil slot, be aware that the 32mm height serrated interface block may interfere with the bolt handle when opened. If this occurs, move the mount forward 1 slot.
- Secure the mount using the provided screws.
- Follow the torque specifications:
  - 6.2 Nm (55 inlbs) for scope clamp and rail mount screws.
  - 3.4 Nm (30 inlbs) for the bubble level screw.
- Doublecheck that all screws are tightened properly.

### 3. Usage:

- Once installed, test the scope mount by operating the bolt handle to ensure there is no interference.
- Make any necessary adjustments before taking the rifle to the range.

## Disposal Instructions

- Dispose of the MBRACE Scope Mount in accordance with local regulations for nonhazardous waste.
- Do not dispose of the product in regular household waste if it contains any electronic components.

## Contact Information for Further Support

- For additional support or inquiries regarding safety and usage, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure the safe and effective use of the MBRACE Scope Mount. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
