MBRACE Picatinny Accessory Rail Safety Instruction Guide

Introduction

Thank you for choosing the MBRACE Picatinny Accessory Rail from American Rifle Company. This guide provides essential safety instructions and operational guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the accessory rail is compatible with your firearm before use.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the accessory rail out of reach of children and unauthorized users.
- Regularly inspect the rail for signs of damage or wear before each use.
- In the event of any malfunction or damage, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Always use the rail in accordance with the manufacturer's specifications.
- Do not exceed the recommended torque specification of 3.4 Nm (30 inlbs) when securing the rail.
- Ensure that all mounting hardware is securely tightened before use.
- Avoid using the rail in extreme conditions that may affect its integrity, such as excessive heat or moisture.
- If you notice any unusual movement or looseness during use, stop using the accessory rail and inspect it for issues.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure that the firearm is unloaded and safe to handle.

2. Installation:

- Align the MBRACE Picatinny Accessory Rail with the mounting points on your firearm.
- Insert the provided mounting hardware into the appropriate holes.
- Use the torque wrench to tighten the screws to the specified torque of 3.4 Nm (30 inlbs).
- Doublecheck that the rail is securely attached and does not move.

3. Usage:

- After installation, verify that the rail is stable and that all accessories mounted on it are secure.
- Use the rail only for its intended purpose and as specified by the manufacturer.

4. PostUse Inspection:

- After each use, inspect the rail and mounting hardware for signs of wear or damage.
- If any issues are found, do not use the rail until it has been repaired or replaced.

Disposal Instructions

- When the MBACE Picatinny Accessory Rail reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MBACE Picatinny Accessory Rail, please contact the manufacturer directly. Ensure you have the product details at hand for a more efficient response.

Final Notes

Your safety is our priority. By following these guidelines, you can help ensure a safe and enjoyable experience with your MBACE Picatinny Accessory Rail. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to these important safety instructions.
