

# AR-15 ANGLED GRIP W/CABLE MANAGEMENT FUNCTION FOR 1913 PIC RAIL - STRIKE INDUSTRIES AR-15 ANGLED GRIP LONG W/CABLE MANAGEMENT FOR PIC RAIL BLK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

The Strike Industries Angled Vertical Grip with Cable Management (Picatinny) is engineered like no other grip on the market. The grip angle sits on the handguard at 86 degrees. The patent pending SI Cable Management System® (CMS) function enables you to organize and store excess wire from your weapon light or any other cabled accessories. Instead of tucking wire anywhere you can and using cable ties or tape to hold it down, the SI CMS will offer you a place to route and/or contain loose wire inside the grip cavity. The cuts at the top middle of the grip allow for easier pressure switch attachment. On both the Short and Long version there has an added built-in stability feature when you place the L-shaped bottom onto a table edge/corner or as a barricade stop, giving you another way to get back on target faster downrange. The Short version is a low-profile form helps to minimize snags. The forward angle provides more of a natural wrist angle and increased rigidity of forearm. Designed with textured palm and finger areas with flat sides for positive handling and easier manipulation of the firearm. Made from durable and lightweight polymer compatible with 1913 Picatinny rails, the Strike Industries Angled Vertical Grip with Cable Management gives the shooter control while handling or firing the weapon, added stability with table/edge corner or as a barricade stop and an innovative way to ensure total cable management. No messy wires.

## Attributes

- Name: [STRIKE INDUSTRIES AR-15 ANGLED GRIP LONG W/CABLE MANAGEMENT FOR PIC RAIL BLK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100050474
- Mfr. No.: SI-AR-CMAG-RAIL-L-BK
- Attachment: -
- Colour: Black
- Material: Polymer
- Weapon type: AR-15
- Delivery weight: 0.086kg
- Shipping height: 44mm
- Shipping width: 51mm
- Shipping length: 127mm
- UPC: 793811764826

# Safety Instruction Guide for Strike Industries AR15 Angled Grip with Cable Management

## Introduction

Thank you for choosing the Strike Industries AR15 Angled Grip with Cable Management. This product is designed to enhance your shooting experience while ensuring safety and functionality. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight.
- Always wear appropriate eye and ear protection when handling firearms.
- Regularly inspect the grip and firearm for any signs of wear or damage.
- Store the firearm and accessories securely and out of reach of children.

## Specific Safety Precautions for Use

- Ensure the grip is securely attached to the firearm before use.
- Avoid using the grip if it shows any signs of damage or wear.
- Do not overload the grip with excessive wires or accessories that may affect stability.
- Be cautious of the grip's edges when placing it against a table or barricade to avoid injury.
- Ensure all cables are properly managed to prevent entanglement during use.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Position the Grip:** Align the grip with the 1913 Picatinny rail on your AR15.
3. **Secure the Grip:** Use the appropriate mounting hardware to securely attach the grip to the rail.
4. **Check Stability:** Ensure the grip is firmly attached and does not wobble.

### Usage

- **Grip Positioning:** Hold the grip with your dominant hand while ensuring a firm and stable stance.
- **Cable Management:** Use the SI Cable Management System® to organize and store excess wires. Route the wires through the designated areas within the grip cavity.
- **Switch Attachment:** Utilize the cuts at the top middle of the grip for easy attachment of pressure switches.
- **Stability Feature:** When using the grip on a table edge or barricade, ensure the Lshaped bottom is securely positioned to provide stability.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the grip in regular household waste.
- Check for any specific disposal instructions related to polymer materials.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please refer to the EU's Safety Gate platform for further guidance and assistance.

Thank you for your attention to these safety instructions. Your safety and the safe handling of firearms are our top priorities. Enjoy your experience with the Strike Industries AR15 Angled Grip with Cable Management.
