

AR-15 ANGLED GRIP W/CABLE MANAGMENT FUNCTION FOR 1913 PIC RAIL - STRIKE INDUSTRIES AR-15 ANGLED GRIP SHRT W/CABLE MANAGEMENT FOR PIC RAIL BLK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

The Strike Industries Angled Vertical Grip with Cable Management (Picatinny) is engineered like no other grip on the market. The grip angle sits on the handguard at 86 degrees. The patent pending SI Cable Management System® (CMS) function enables you to organize and store excess wire from your weapon light or any other cabled accessories. Instead of tucking wire anywhere you can and using cable ties or tape to hold it down, the SI CMS will offer you a place to route and/or contain loose wire inside the grip cavity. The cuts at the top middle of the grip allow for easier pressure switch attachment. On both the Short and Long version there has an added built-in stability feature when you place the L-shaped bottom onto a table edge/corner or as a barricade stop, giving you another way to get back on target faster downrange. The Short version is a low-profile form helps to minimize snags. The forward angle provides more of a natural wrist angle and increased rigidity of forearm. Designed with textured palm and finger areas with flat sides for positive handling and easier manipulation of the firearm. Made from durable and lightweight polymer compatible with 1913 Picatinny rails, the Strike Industries Angled Vertical Grip with Cable Management gives the shooter control while handling or firing the weapon, added stability with table/edge corner or as a barricade stop and an innovative way to ensure total cable management. No messy wires.

Attributes

- Name: [STRIKE INDUSTRIES AR-15 ANGLED GRIP SHRT W/CABLE MANAGEMENT FOR PIC RAIL BLK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100050475

Safety Instruction Guide for the AR15 Angled Grip with Cable Management

Introduction

Thank you for choosing the Strike Industries Angled Vertical Grip with Cable Management for your AR15. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read through this document carefully to understand the necessary precautions and instructions.

General Safety Guidelines

- **Product Safety:** Always ensure the product is used in accordance with the manufacturer's instructions to avoid accidents or injuries.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a notice regarding this product, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations and provides adequate product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU-based contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recall notices.

Specific Safety Precautions for Use

- **Installation:** Ensure the grip is securely attached to the 1913 Picatinny rail before use.
- **Cable Management:** Utilize the SI Cable Management System® to prevent loose wires from interfering with your handling of the firearm.
- **Grip Handling:** Maintain a firm grip on the product during use to enhance control and stability.
- **Pressure Switch Attachment:** When attaching pressure switches, ensure they are securely fastened to avoid accidental disconnection.
- **Usage Environment:** Only use the grip in appropriate environments where firearms are permitted and safe handling practices are observed.
- **Inspection:** Regularly inspect the grip for any signs of wear or damage. Replace if any issues are found.

Instructions for Installation and Usage

1. Installation on the AR15:

- Ensure the firearm is unloaded before installation.
- Align the Angled Grip with the 1913 Picatinny rail.
- Securely fasten the grip using the provided screws until it is firmly in place.

2. Using the Cable Management System:

- Route excess wire from your weapon light or other accessories through the designated channels in the grip.
- Ensure that wires are not pinched or exposed to potential damage.

3. Grip Usage:

- Hold the grip with a natural wrist angle to maintain comfort and control.
- Use the grip's stability feature by placing the L-shaped bottom on a table edge or barricade when

necessary.

4. Maintenance:

- Clean the grip regularly with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals that may damage the polymer material.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any further inquiries or support regarding the AR15 Angled Grip with Cable Management, please refer to the appropriate channels as per your region's regulations.

Thank you for your attention to these safety guidelines. Your safety and the safe handling of firearms are of utmost importance.
