

EMP POCKET CLIP - STRIKE INDUSTRIES EMP POCKET CLIP FOR RIGHT HAND

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Hardware](#)

The Strike Industries EMP Pocket Clip gives you a quick and easy way to carry a spare pistol magazine for when you need it. Offered for either right or left handed shooters, this quench polish quench (QPQ) matte black finish SUS420 stainless steel low-profile clip is made to only work with compatible Strike Industries Extended Magazine Plate's (EMP). This pocket clip attaches directly to the SI EMP to ensure a fast draw with no fuss. Your spare magazine sits where you need it without fishing around in your pocket. With a simple pull, the magazine is in your hand to get you back in the fight. The SI EMP Pocket Clip includes everything you need along with various length set screws (x4) so you can adapt to all Strike EMP currently offered or any EMP we develop in the future. With this new low-budget option, make sure the Strike Industries EMP Pocket Clip is part of your Everyday Carry (EDC) and don't leave home without it. COMPATIBLE SI EMP: CZ: P-10F GLOCK™: G19/G17/G22 Heckler & Koch: VP9 SIG SAUER: P320 NOT COMPATIBLE: With any magwells

EMP Pocket Clip Safety Instruction Guide

Introduction

Thank you for choosing the Strike Industries EMP Pocket Clip. This guide provides essential safety information and instructions to ensure the safe and effective use of your new product. Please read this guide carefully before use.

General Safety Guidelines

- Always inspect the EMP Pocket Clip before use for any signs of damage or wear.
- Ensure that the clip is securely attached to the magazine plate before carrying.
- Use the pocket clip only with compatible Strike Industries Extended Magazine Plates (EMP).
- Keep the product out of reach of children and vulnerable individuals.
- Report any defects or issues to the manufacturer immediately.

Specific Safety Precautions for Use

- Ensure that the magazine is unloaded when attaching or detaching the pocket clip.
- Avoid using the pocket clip in a manner that may lead to accidental discharge of the firearm.
- Do not exceed the weight limit specified for the pocket clip, as this may cause failure.
- Be mindful of the clip's position in your pocket to prevent snagging on clothing or other objects.
- If you experience difficulty drawing the magazine, stop using the product and consult the manufacturer.

Instructions for Installation and Usage

1. Installation

- Gather the necessary tools, including a screwdriver and the provided set screws (x4).
- Align the EMP Pocket Clip with the designated holes on the Strike Industries Extended Magazine Plate.
- Insert the set screws into the holes and tighten securely, ensuring the clip is firmly attached.
- Doublecheck the attachment to confirm stability before use.

2. Usage

- To draw the magazine, pull the pocket clip outward from your pocket.
- Ensure a firm grip on the magazine while drawing to avoid dropping it.
- Practice drawing the magazine in a safe environment to become familiar with the process.
- Always maintain situational awareness when accessing your magazine.

Disposal Instructions

- Dispose of the EMP Pocket Clip responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer needed, consider recycling it if possible.

Contact Information for Further Support

For any questions or concerns regarding the EMP Pocket Clip, please reach out to your local retailer or consult the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy your new Strike Industries EMP Pocket Clip and stay safe!
