Safety Instruction Guide for Lee Precision Multi Tube Feeder

Introduction

Thank you for choosing the Lee Precision Multi Tube Feeder. This product is designed to enhance your reloading experience by providing a continuous supply of bullets. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for proper use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any malfunction or defect, discontinue use immediately and contact support.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the Multi Tube Feeder is securely attached to the reloading press before use.
- Do not overload the magazine beyond its capacity of 100 bullets.
- Avoid using damaged or defective bullets in the feeder.
- Be cautious when handling bullets and ensure they are stored safely.
- Do not attempt to modify the product in any way.
- Always wear appropriate safety gear, such as safety glasses, when using the feeder.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged.
- Attach the Multi Tube Feeder to the press according to the manufacturer's instructions.
- Verify that all connections are secure before use.

2. Loading Bullets:

- Open the four tube magazine by following the provided instructions.
- Carefully load up to 100 bullets into the magazine, ensuring they are aligned correctly.
- Close the magazine securely before operating the feeder.

3. Using the Multi Tube Feeder:

- Turn on the reloading press and begin the reloading process.
- Monitor the bullet supply and refill the magazine as needed.
- If any issues arise during operation, stop using the feeder and inspect it for any problems.

4. After Use:

- Turn off and unplug the reloading press.
- Remove any remaining bullets from the feeder and magazine.
- Clean the product according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for the materials used in the product.

Contact Information for Further Support

For any questions or concerns regarding the Lee Precision Multi Tube Feeder, please refer to the manufacturer's website or contact their support team. Ensure you have the product details available for a quicker response.

By following these guidelines, you can ensure a safe and enjoyable experience with your Lee Precision Multi Tube Feeder. Thank you for your attention to safety!
