# Safety Instruction Guide for the Lee Aluminum 4Hole Turret

## Introduction

Thank you for choosing the Lee Aluminum 4Hole Turret. This product is designed for quick caliber changes for the 4Hole Turret Press and Classic Turret Press. To ensure safe and effective use, please carefully read and follow these safety instructions.

## General Safety Guidelines

- Ensure that you read all instructions and safety guidelines before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for any signs of damage before use.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses when operating the turret.
- Ensure that the turret is securely mounted to the press before use.
- Do not attempt to modify or repair the turret without proper knowledge and tools.
- Avoid using the turret with incompatible presses, such as the Lee Pro 1000 or Lee 3 Hole Turret Press.
- Do not overload the turret with excessive force during operation.
- Keep the work area clean and free from distractions while using the turret.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the turret press is turned off and unplugged.
- Remove any existing turret from the press.
- Align the Lee Aluminum 4Hole Turret with the mounting holes on the turret press.
- Securely fasten the turret in place according to the manufacturer's instructions.

### 2. Usage:

- Before starting, ensure that all tools and materials needed for reloading are within reach.
- Adjust the turret to the desired caliber setting as per the reloading requirements.
- Carefully load the ammunition components into the turret following the reloading guidelines.
- Operate the turret press according to the manufacturer's instructions, maintaining a steady and controlled motion.
- After use, clean the turret to remove any debris or residue.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local waste management regulations.
- If the turret is damaged or no longer usable, consider recycling the aluminum components where facilities are available.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Lee Aluminum 4Hole Turret, please refer to the manufacturer's contact details provided in the product packaging or visit the official website.

**Note:** This guide is designed to ensure your safety and the effective use of the Lee Aluminum 4Hole Turret. Always prioritize safety and consult professionals if in doubt.
