

# ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION 223 REMINGTON

## ULTIMATE 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

# ULTIMATE RIFLE 4DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SET from LEE PRECISION. This guide provides important safety instructions and guidelines to ensure safe and effective use of your die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition before using this die set.
- Always wear appropriate safety gear, including safety glasses, when reloading.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Store the die set in a secure location when not in use.
- Regularly inspect the die set for any signs of damage or wear. Do not use damaged components.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper use of the die set may lead to hazardous conditions, including accidental discharge or malfunctioning ammunition.
- Always ensure that the reloading area is clean and free from distractions.

### • Avoiding Hazards:

- Do not exceed recommended powder charges as specified in the load data provided with the die set.
- Use only the appropriate caliber components for your reloading needs.
- Ensure that the reloading press is securely mounted and stable during use.

### • Age Restrictions:

- This product is intended for use by individuals who are at least 18 years old. Minors should only use the die set under adult supervision.

## Instructions for Installation and Usage

### • Installation:

1. Securely mount the reloading press to a stable workbench.
2. Attach the full lengthresizing die to the press following the manufacturer's instructions.
3. Install the Collet Neck sizing die next, ensuring it is properly adjusted for your fire formed brass.
4. Follow with the Easy Adjust Dead Length Bullet seating die, adjusting to your desired seating depth.
5. Finally, install the Factory Crimp die to ensure a secure crimp on your bullets.

### • Usage:

- Always start with clean brass and inspect it for any defects before reloading.
- Use the full lengthresizing die to resize your brass to factory specifications.

- When using the Collet Neck sizing die, ensure proper alignment to achieve the best accuracy.
- Adjust the Easy Adjust Dead Length Bullet seating die carefully to achieve the desired bullet seating depth.
- Use the Factory Crimp die to crimp your bullets, ensuring a secure fit without damaging the bullet.
- Refer to the provided load data for recommended powder types and charges.

## Disposal Instructions

- Dispose of any unused or excess reloading components in accordance with local regulations.
- If the die set becomes damaged beyond repair, dispose of it responsibly, ensuring that it does not pose a risk to others.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the ULTIMATE RIFLE 4DIE SET, please consult the manufacturer's website or customer service resources for assistance.

By following these safety instructions, you can enjoy a safe and effective reloading experience with your ULTIMATE RIFLE 4DIE SET. Thank you for your commitment to safety and responsible reloading practices.
