

ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION 308 WINCHESTER

ULTIMATE 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

ULTIMATE RIFLE 4DIE SETS LEE PRECISION 308 WINCHESTER Safety Instruction Guide

Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SET by LEE PRECISION. This product is designed for reloading ammunition and aims to provide maximum versatility and accuracy for your shooting needs. However, it is essential to follow safety guidelines to ensure a safe and successful reloading experience. This guide outlines important safety instructions, precautions, and disposal information in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the manufacturer's instructions before using the die set.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect all components of the die set regularly for wear and damage.
- Use only the recommended components and materials for reloading.
- Store the die set in a cool, dry place to prevent rust and deterioration.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**

- Always wear safety glasses to protect your eyes from debris.
- Use hearing protection if working in a noisy environment.

- **Reloading Environment:**

- Work in a wellventilated area to avoid inhaling any dust or fumes.
- Keep the workspace clean and organized to prevent accidents.

- **Handling Components:**

- Handle all reloading components with care to avoid spills or accidents.
- Avoid using damaged or defective brass cases to ensure safety during reloading.

- **Fire Safety:**

- Keep all flammable materials away from your reloading area.
- Have a fire extinguisher nearby in case of emergencies.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 years and older. Ensure minors are supervised when in the vicinity of reloading activities.

Instructions for Installation and Usage

1. Set Up the Die Set:

- Ensure that your reloading press is securely mounted and stable.

- Install the fulllength resizing die in your press according to the manufacturer's instructions.
- Follow the same procedure for the collet neck sizing die, Easy Adjust Dead Length Bullet Seating Die, and Factory Crimp Die.

2. Reloading Process:

- Begin by resizing your brass cases using the fulllength resizing die.
- Use the collet neck sizing die for fireformed brass to enhance accuracy.
- Adjust the Easy Adjust Dead Length Bullet Seating Die for precise bullet seating depth.
- Finally, apply a secure crimp using the Factory Crimp Die as needed.

3. Regular Maintenance:

- After each use, clean the dies and store them properly to prevent corrosion.
- Check for any signs of wear or damage before each use and replace parts as necessary.

Disposal Instructions

- Dispose of any used or damaged reloading components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For additional support or inquiries regarding the ULTIMATE RIFLE 4DIE SET, please refer to the manufacturer's official website or customer service. Ensure you have your product details ready for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your ULTIMATE RIFLE 4DIE SET. Enjoy your reloading and shooting activities responsibly!
