

# ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION 270 WINCHESTER

## ULTIMATE 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

## WINCHESTER Safety Instruction Guide

### Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SETS by LEE PRECISION. This product is designed for reloading 270 Winchester cartridges, providing you with maximum versatility and accuracy. To ensure safe and effective use of this die set, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Always handle reloading equipment with care and follow the manufacturer's instructions.
- Ensure that the workspace is clean, organized, and free from distractions.
- Store all reloading components, including dies, powder, and primers, out of reach of children and pets.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Do not exceed recommended load limits and always refer to reliable loading data.
- Be aware of your surroundings and ensure that you are in a safe environment while reloading.

### Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards such as:
  - Improper handling of ammunition and components.
  - Risk of injury from sharp tools and equipment.
  - Exposure to hazardous materials (powder and primers).
- **Avoiding Hazards:**
  - Always check that the die set is properly installed before use.
  - Use case lube only as directed; excessive lube can cause issues during resizing.
  - Ensure that the workspace is wellventilated when working with powder and primers.
- **Age Restrictions:** This product is intended for use by adults only. Keep out of reach of children.

### Instructions for Installation and Usage

#### 1. Installation:

- Carefully read the instruction manual included with the die set.
- Ensure that your reloading press is compatible with the die set.
- Securely attach the resizing die to the press, ensuring it is properly aligned.
- Install the collet neck sizing die and the Easy Adjust Dead Length Bullet seating die as per the instructions.
- Attach the Factory Crimp die for final crimping of cartridges.

#### 2. Usage:

- Begin by resizing your fired brass using the fulllength resizing die.
- Use the collet neck sizing die for fireformed brass to achieve the best accuracy.
- Adjust the bullet seating depth using the Easy Adjust Dead Length Bullet seating die.
- Apply a secure crimp using the Factory Crimp die to ensure bullet retention.
- Follow the included load data for powder measurements and bullet specifications.

#### 3. PostUsage:

- Clean the dies after each use to prevent buildup of residue.
- Store the die set in a safe, dry location to prevent damage.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of hazardous materials (such as powder and primers) in regular trash.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the ULTIMATE RIFLE 4DIE SETS, please refer to the contact information provided in the product packaging.

By following these safety instructions, you can enjoy a safe and productive reloading experience with your ULTIMATE RIFLE 4DIE SETS LEE PRECISION 270 WINCHESTER. Always prioritize safety and consult the appropriate resources if you have any questions or concerns.
