

ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION 7MM REM MAG

ULTIMATE 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

ULTIMATE RIFLE 4DIE SET Safety Instructions

Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SET by LEE PRECISION. This product is designed for maximum versatility in reloading 7mm Remington Magnum cartridges. To ensure your safety and the proper use of this die set, please read this guide carefully. It includes essential safety guidelines, specific precautions, and instructions for installation and usage.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the operation of your reloading equipment before use.
- Keep all reloading components, including dies and tools, out of reach of children and unauthorized users.
- Use protective eyewear when reloading to protect your eyes from potential hazards.
- Always work in a wellventilated area to avoid inhalation of any dust or fumes.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The dies can create sharp edges; handle with care to avoid cuts.
 - Improper use of the dies can lead to misfires or other dangerous situations.
- **Avoiding Hazards:**
 - Always ensure that the die set is correctly installed before use.
 - Do not attempt to modify the dies or use them for purposes other than intended.
 - Follow the manufacturer's instructions for setting up and using the dies.
- **AgeSpecific Warnings:**
 - This product is intended for use by individuals aged 18 and older.
 - Ensure that minors are supervised by a responsible adult when in the vicinity of reloading activities.

Instructions for Installation and Usage

1. Installation:

- Unpack the die set carefully, checking for any visible damage.
- Ensure all components are present: full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die, and Factory Crimp Die.
- Install the dies in your reloading press according to the manufacturer's instructions.

2. Usage:

- **Full Length Resizing Die:** Use this die to resize brass cases to factory new dimensions.
- **Collet Neck Sizing Die:** Apply this die to fireformed brass to achieve optimal accuracy without case lube.
- **Easy Adjust Dead Length Bullet Seating Die:** Adjust the seating depth of the bullet easily; ensure it is set correctly before starting.

- **Factory Crimp Die:** Use this die to apply a secure crimp to the bullet, enhancing accuracy and dependability.

3. Reloading Process:

- Follow the load data provided with the die set for optimal performance.
- Use only recommended powder brands and ensure they are organized as per the load data.
- Always doublecheck measurements and settings before proceeding with reloading.

Disposal Instructions

- Dispose of any used brass cases and reloading components in accordance with local regulations.
- Do not dispose of hazardous materials in regular waste. Follow your local waste management guidelines for proper disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the ULTIMATE RIFLE 4DIE SET, please refer to the contact information provided in the product packaging or visit the manufacturer's website for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your ULTIMATE RIFLE 4DIE SET. Thank you for your attention to these important safety measures.
