

ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION 30-06 SPRINGFIELD ULTIMATE 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

ULTIMATE RIFLE 4DIE SETS LEE PRECISION 3006 SPRINGFIELD Consumer Safety Instruction Guide

Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SETS LEE PRECISION 3006 SPRINGFIELD. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe handling and use.
- Ensure that you are of legal age and have the necessary skills and knowledge to use reloading equipment safely.
- Keep the die set and all reloading materials out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when using the die set.
- Regularly inspect your equipment for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Ensure that your workspace is clean and organized to prevent accidents.
- Only use the die set with compatible brass and components to avoid malfunction.
- Avoid using excessive force when operating the dies to prevent injury or damage to the equipment.
- Follow all local regulations regarding the storage and handling of reloading materials.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted to a stable work surface.
- Clean the dies and shell holder before installation to remove any debris.

2. Installing the Dies:

- Start by installing the fulllength resizing die. Thread it into the press according to the manufacturer's instructions.
- Next, install the collet neck sizing die, ensuring it is securely fastened.
- Finally, install the Easy Adjust Dead Length Bullet Seating Die and the Factory Crimp Die.

3. Using the Dies:

- For resizing, insert the brass case into the shell holder and operate the press to resize the brass.
- Use the collet neck sizing die on fireformed brass to achieve maximum accuracy.
- Adjust the bullet seating depth using the Easy Adjust Dead Length Bullet Seating Die, ensuring proper alignment.
- Apply a secure crimp on the bullets using the Factory Crimp Die, if necessary.

4. Cleaning and Maintenance:

- After use, clean the dies with a suitable solvent to remove any residue.

- Store the dies in a dry, cool place to prevent rust and damage.

Disposal Instructions

- Dispose of any used or damaged reloading materials according to local regulations.
- Do not throw away any components in regular household waste. Check for local recycling programs for metal and hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the ULTIMATE RIFLE 4DIE SETS LEE PRECISION 3006 SPRINGFIELD, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience!
