# **Safety Instruction Guide for COMPLETE LOWER RECEIVER W/MOE SL GRIP & SLS STOCK FOR AR15**

## **Introduction**

Thank you for choosing the Aero Precision AR15 Complete Lower Receiver. This product is designed to provide a solid foundation for your custom AR15 build. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always treat this product as if it is loaded.
- Store the lower receiver in a secure location, out of reach of children and unauthorized users.
- Inspect the lower receiver regularly for any signs of wear or damage.
- Use only compatible parts and accessories with this lower receiver to avoid malfunctions.
- Follow all local laws and regulations regarding firearm assembly and usage.
- Always wear appropriate safety gear, such as eye and ear protection, when handling firearms.

## **Specific Safety Precautions for Use**

- Ensure the firearm is completely unloaded before performing any assembly or maintenance.
- Do not modify the lower receiver or any of its components in ways that are not recommended by the manufacturer.
- Be aware of your surroundings when handling the firearm to prevent accidents.
- Always point the firearm in a safe direction, away from people and property.
- Keep your finger off the trigger until you are ready to shoot.

## **Instructions for Installation and Usage**

### **Installation Steps**

#### **1. Prepare the Work Area**

- Ensure you have a clean, welllit workspace.
- Gather all necessary tools and components before starting.

#### **2. Install the Lower Parts Kit**

- Carefully follow the instructions provided with the lower parts kit.
- Ensure all parts are installed correctly and securely.

#### **3. Attach the MOE SL Grip**

- Align the grip with the receiver and secure it using the provided screw.
- Ensure the grip is tightly fastened.

#### **4. Attach the MOE SLS Carbine Stock**

- Slide the stock onto the receiver extension.
- Secure the stock in place according to the manufacturer's instructions.

#### **5. Final Inspection**

- Inspect the assembly to ensure all components are properly installed and secure.
- Check for any loose parts or misalignments.

## **Usage Instructions**

- Always follow the manufacturer's guidelines for using the completed firearm.
- Familiarize yourself with the operation of the firearm, including safety features and how to properly load and unload it.
- Practice safe shooting habits and adhere to all range rules if using the firearm at a shooting range.

## **Disposal Instructions**

- Dispose of the lower receiver and any associated parts in accordance with local regulations.
- If the product is damaged or no longer in use, ensure that it is rendered inoperable before disposal.
- Contact local authorities or waste disposal services for guidance on proper disposal methods.

## **Contact Information for Further Support**
