# Safety Instruction Guide for Aero Precision M5 .308 Complete Lower Receiver

## Introduction

Thank you for choosing the Aero Precision M5 .308 Complete Lower Receiver. This product is designed to be the foundation of your custom bigbore AR rifle. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding safe handling, installation, and usage.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, away from unauthorized users, especially children.
- Ensure that you are familiar with the laws and regulations regarding firearm ownership and usage in your area.
- Regularly inspect your firearm and its components for any signs of wear or damage.
- Always wear appropriate safety gear, such as eye and ear protection, when handling firearms.
- Do not modify the firearm or components in a manner that could compromise safety or functionality.

## Specific Safety Precautions for Use

- Ensure that the complete lower receiver is compatible with your upper receiver and other components.
- Do not use ammunition that is not specified for use with the .308 lower receiver.
- Be aware of the potential hazards associated with the assembly and disassembly of firearm components, including pinch points and sharp edges.
- When installing or replacing parts, follow the manufacturer's instructions closely to avoid improper installation.
- Keep your hands and other body parts clear of moving parts during operation.
- Always ensure that the safety selector is in the "safe" position when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean, welllit workspace.
- Gather all necessary tools and components, including the Aero Precision M5 .308 Complete Lower Receiver, lower parts kit, and any additional accessories.

### 2. Installation:

- Install the trigger guard according to the manufacturer's instructions.
- Attach the bolt catch using the threaded screw pin provided, ensuring it is secure.
- Insert the rear takedown pin detent and secure it with a 440 set screw.
- Ensure that the Magpul MOE Grip is installed correctly and securely.

### 3. Compatibility Check:

- Verify that all components, including magazines and upper receivers, are compatible with the Aero Precision M5 .308 Complete Lower Receiver.

### 4. Usage:

- Load ammunition into the magazine and insert it into the firearm.
- Ensure the safety selector is in the "fire" position before attempting to fire the weapon.
- After use, always return the safety selector to the "safe" position.

## **Disposal Instructions**

- Dispose of the Aero Precision M5 .308 Complete Lower Receiver and any associated components in accordance with local regulations regarding firearm parts and materials.
- Do not discard any firearm components in regular household waste.
- Contact your local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact details provided on the packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your Aero Precision M5 .308 Complete Lower Receiver. Always prioritize safety and compliance with local laws and regulations.
