

# EPC 9 LOWER RECEIVERS 9MM/40 S&W - AERO PRECISION EPC-9 STRIPPED LOWER RECEIVER FOR AR-15 FDE

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

The EPC-9 Lower Receiver delivers billet aesthetics in a forged package for your next pistol caliber build. This custom-designed enhanced forging is machined from 7075-T6 Aluminum and has several functional features, much like the M4E1, to help simplify the assembly process for the at home builder. EPC-9 Lower Receiver Features: Threaded bolt catch pin for easy installation Integrated enlarged trigger guard to remove any risk of breaking off trigger guard tabs, and provide an overall more rugged platform to build on Threaded takedown pin detent recess to allow for the installation of a detent and spring with a single 4-40 set screw Flared magazine well for quick and easy reloads Proprietary components pre-installed from the factory Standard AR15 takedown/pivot pin lug pattern Machined from custom forged 7075-T6 aluminum Compatible with standard frame GLOCK® magazines

# EPC 9 Lower Receiver Safety Instruction Guide

## Introduction

Thank you for choosing the EPC 9 Lower Receiver for your firearm build. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read and follow all guidelines carefully.

## General Safety Guidelines

- Ensure that the EPC 9 Lower Receiver is used only for its intended purpose as a component of a firearm.
- Always handle firearms with care and responsibility. Treat every firearm as if it is loaded.
- Keep the EPC 9 Lower Receiver and all firearm components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly inspect the lower receiver and other firearm components for wear and damage. Replace any damaged parts immediately.
- In case of any doubts regarding the safety or functionality of the lower receiver, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Using incompatible components may result in firearm failure.
- Failure to follow safety practices can lead to accidents.

- **To Avoid These Hazards:**

- Always ensure that you are using compatible parts and accessories designed for the EPC 9 Lower Receiver.
- Follow the installation instructions carefully to prevent mishaps during assembly.
- Perform a functionality check after assembly and before use to ensure that all components are working properly.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a responsible adult when handling firearms.

## Instructions for Installation and Usage

- **Installation:**

1. Gather all necessary tools and components before beginning the installation.
2. Ensure that the workspace is clean and free from distractions.
3. Follow these steps for installation:
  - Install the threaded bolt catch pin using the provided tools.
  - Attach the integrated enlarged trigger guard securely.
  - Insert the threaded takedown pin detent recess and secure it with a 440 set screw.
  - Ensure the flared magazine well is properly aligned and secured.
  - Confirm that all proprietary components are correctly installed.

- **Usage:**

1. Before use, ensure that the firearm is unloaded and safe.
2. Conduct a thorough inspection of the assembled firearm, including the EPC 9 Lower Receiver.
3. Familiarize yourself with the operation of the firearm and practice safe handling techniques.
4. Always wear appropriate eye and ear protection when operating the firearm.

## **Disposal Instructions**

- Dispose of the EPC 9 Lower Receiver and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Contact local waste management authorities for guidance on proper disposal methods.
- If the product is damaged beyond repair, ensure it is rendered inoperable before disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or functionality, please reach out to the manufacturer or a qualified gunsmith. Ensure you have your product details available for reference.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your EPC 9 Lower Receiver. Thank you for your attention to safety and responsible firearm ownership.
