These Mountain Tactical Bolt Handles are designed to give you more control over your rifle. The longer handle makes cycling the bolt easier allowing you to eject and chamber a round without taking your sights off your target. A larger diameter bolt knob increases tactility making positive bolt manipulation while wearing gloves a more confident and safe action. Of course, at the end of the day, they just look awesome! Specifications: Handle Material - Stainless Steel

# T3/T3X ELITE BOLT HANDLE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the T3/T3X Elite Bolt Handle from Mountain Tactical. This product is designed to enhance your rifle's performance and usability. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the bolt handle.
- Use the product only as intended, following all manufacturer guidelines.
- Keep the bolt handle out of reach of children and unauthorized users.
- Regularly inspect the bolt handle for any signs of wear or damage before each use.
- Store the bolt handle in a secure location when not in use.

## Specific Safety Precautions for Use

- Ensure that your hands are dry and clean when handling the bolt handle to avoid slippage.
- When wearing gloves, ensure they do not interfere with your grip on the bolt handle.
- Do not attempt to modify the bolt handle in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure that you have a clear line of sight when cycling the bolt.
- Always follow safe firearm handling practices, including pointing the firearm in a safe direction.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded.
- Remove the existing bolt handle according to the manufacturer's instructions.
- Align the T3/T3X Elite Bolt Handle with the bolt assembly.
- Securely fasten the bolt handle in place, ensuring it is properly seated.
- Check for smooth operation before use.

### 2. Usage:

- Grip the bolt handle firmly with your dominant hand.
- Cycle the bolt by pulling back on the handle to eject the spent cartridge.
- Push forward on the handle to chamber a new round.
- Maintain focus on your target while cycling the bolt to ensure safety and accuracy.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the bolt handle in regular household waste.
- If the product is damaged or no longer in use, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to your local Mountain Tactical

representative or authorized dealer. Ensure you have the product details ready for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your T3/T3X Elite Bolt Handle. Thank you for prioritizing safety and responsibility in your firearm use.
