

# T3/T3X BOLT SHROUDS - MOUNTAIN TACTICAL T3/T3X BOLT SHROUDS - GEN 4

[Rifle Parts](#) > [Bolt Parts](#) > [Cocking Parts](#) > [Cocking Pieces & Shrouds](#)

Mountain Tactical Company spent months designing, testing, and improving what has become the finest Tikka T3/T3x Bolt Shroud on the market today. The development team was tasked with creating not only a more durable bolt shroud than the plastic factory part, but to also add a level of increased precision that would allow the firearm to perform better than it does with the plastic shroud. With the introduction of the T3x, Tikka started shipping the rifles with a metal injection molded mystery metal shroud. Not only is it significantly heavier than the previous generation's plastic shroud, but the accuracy of the part suffered due to the production process. The Mountain Tactical Company Tikka bolt shroud's outside diameter was matched to the inside diameter of the bolt race creating perfect alignment of the bolt to enhance concentricity of the cartridge to the chamber. In essence, the benefit is the same as having a three lug bolt to insure alignment to the axis of the bore. All this and a profound aesthetic enhancement as well. Like all Mountain Tactical Company products, the Tikka T3/T3x Bolt Shroud carries a lifetime warranty to ensure a lifetime of good service. Proudly Made in Montana! Specs: Material - 6061-T6 Billet Aluminum Finish - Mil-Spec Hard Anodized Weight - .7 ounces

## Attributes

- Name: [MOUNTAIN TACTICAL T3/T3X BOLT SHROUDS - GEN 4](#)
- Manufacturer: [MOUNTAIN TACTICAL](#)
- Product no.: 100061490

# T3/T3X Bolt Shrouds Safety Instruction Guide

## Introduction

Thank you for purchasing the T3/T3X Bolt Shrouds from Mountain Tactical Company. This product has been designed with safety and performance in mind. To ensure the safe use and longevity of your bolt shroud, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the bolt shroud is compatible with your Tikka T3 or T3x rifle before installation.
- Always handle firearms with care and follow all safety protocols when using or installing firearm components.
- Store the bolt shroud in a secure location to prevent unauthorized access, especially by children.
- Regularly inspect your bolt shroud for any signs of wear or damage. Replace if necessary.
- In case of any malfunction or unusual behavior during use, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Compatibility Check:** Before installation, verify that the bolt shroud is designed for your specific model (Tikka T3 or T3x).
- **Installation Safety:** Ensure that the firearm is unloaded before attempting to install the bolt shroud.
- **Screw Tightening:** Use the appropriate tools to securely fasten the bolt shroud. Do not overtighten, as this may cause damage.
- **Regular Maintenance:** Clean the bolt shroud regularly to maintain optimal performance and avoid buildup of debris.
- **Avoid Modifications:** Do not attempt to modify or alter the bolt shroud in any way, as this may compromise safety and performance.
- **Storage:** Store the bolt shroud in a cool, dry place away from direct sunlight to prevent degradation of materials.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather the necessary tools (e.g., screwdriver, cleaning cloth).

### 2. Installation Steps:

- Remove the existing plastic factory bolt shroud from your Tikka T3 or T3x rifle.
- Align the Mountain Tactical bolt shroud with the bolt race of the rifle.
- Securely fasten the bolt shroud using the appropriate screws provided.
- Doublecheck that the shroud is properly aligned and tightened without excessive force.

### 3. Usage:

- After installation, perform a function check to ensure the bolt operates smoothly.
- Use the firearm in accordance with all safety guidelines and manufacturer instructions.

### 4. PostUse Care:

- After each use, clean the bolt shroud to remove any dirt or residue.

- Inspect the bolt shroud for any signs of wear or damage before the next use.

## **Disposal Instructions**

- Dispose of the bolt shroud in accordance with local regulations for metal waste.
- Do not dispose of the bolt shroud in regular household waste.
- If the product is damaged beyond repair, ensure it is safely disposed of to prevent any potential hazards.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or performance of the T3/T3X Bolt Shrouds, please refer to the manufacturer's contact details provided with your product packaging.

This safety instruction guide is designed to ensure your safety and the proper use of the T3/T3X Bolt Shrouds. By following these guidelines, you can maximize the performance of your firearm while minimizing risks. Thank you for choosing Mountain Tactical Company!
