

T1X BOLT HANDLES - T1X BOLT HANDLE OUTDOORSMAN

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

Trick out your T1x with these titillating bits from Mountain Tactical. Each T1x bolt handle is .250" longer than the factory T1x bolt knob. This increase in leverage allows you to run the bolt faster with less resistance. The Mountain Tactical T1x bolt handle is machined to match the interface on the bolt creating a purposeful look instead of a bleak afterthought. Like all Mountain Tactical Company products, the bolt handles are made in Bozeman, MT USA on their 7 axis CNC Swiss style lathe. Material: Stainless Steel

Attributes

- Name: [T1X BOLT HANDLE OUTDOORSMAN](#)

T1X BOLT HANDLE OUTDOORSMAN Safety Instruction Guide

Introduction

Thank you for choosing the T1X Bolt Handle Outdoorsman from Mountain Tactical. This guide provides essential safety instructions and general guidelines to ensure safe use and maintenance of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model (Tikka T1X).
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not modify the product in any way that could compromise its safety or functionality.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the T1X Bolt Handle only with compatible Tikka T1X firearms.
- Avoid using excessive force when operating the bolt handle.
- Ensure the firearm is unloaded before installation or maintenance of the bolt handle.
- Do not use the bolt handle if it shows signs of damage, such as cracks or deformities.
- Always follow the manufacturer's instructions when installing or using the bolt handle.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is completely unloaded.
- Remove the factory bolt handle from the Tikka T1X firearm.
- Align the Mountain Tactical T1X Bolt Handle with the bolt interface.
- Securely attach the bolt handle, ensuring it is properly seated.
- Doublecheck the installation for any loose components.

2. Usage

- Operate the bolt handle with a firm but controlled motion.
- Maintain a clear line of sight and ensure no obstructions are present when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in standard household waste.
- Consider recycling the product if applicable, particularly if it is made of metal.

Contact Information for Further Support

For any inquiries regarding the product, please refer to the manufacturer's contact information provided separately. Ensure you have the product details and any relevant information ready for a prompt response.

By following these guidelines, you can ensure the safe and effective use of your T1X Bolt Handle Outdoorsman.
Thank you for your attention to these important safety instructions.
