

# T1X BOLT HANDLES - T1X BOLT HANDLE DIAMOND CUT

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

Trick out your T1x with these titillating bits from Mountain Tactical. Each T1x bolt handle is .250" longer than the factory T1x bolt knob. This increase in leverage allows you to run the bolt faster with less resistance. The Mountain Tactical T1x bolt handle is machined to match the interface on the bolt creating a purposeful look instead of a bleak afterthought. Like all Mountain Tactical Company products, the bolt handles are made in Bozeman, MT USA on their 7 axis CNC Swiss style lathe. Material: Stainless Steel

## Attributes

- Name: [T1X BOLT HANDLE DIAMOND CUT](#)
- Manufacturer: [MOUNTAIN TACTICAL](#)
- Product no.: 100061493
- Mfr. No.: T1XBHDC
- Finish: Stainless Steel

# T1X BOLT HANDLE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the T1X Bolt Handle from Mountain Tactical. This guide provides important safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety precautions are followed during installation and use.
- The T1X Bolt Handle is designed for use with Tikka T1X firearms only. Do not attempt to use it with other models.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store the product in a secure location, away from children and unauthorized users.
- Regularly inspect the bolt handle for any signs of wear or damage. Do not use if damaged.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the bolt handle.
- Do not attempt to modify the bolt handle or any part of the firearm.
- Use appropriate personal protective equipment (PPE) when handling firearms, including safety glasses and hearing protection.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- If you experience any difficulties during use, stop immediately and refer to the troubleshooting section of this manual or seek professional assistance.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Firearm

- Ensure the firearm is unloaded and pointed in a safe direction.

#### 2. Remove the Factory Bolt Handle

- Carefully unscrew and remove the factory bolt handle from the T1X bolt.

#### 3. Install the T1X Bolt Handle

- Align the T1X Bolt Handle with the bolt interface.
- Securely screw the handle into place, ensuring it is tight but not overtorqued.

#### 4. Check for Proper Installation

- Verify that the handle is securely attached and operates smoothly without obstruction.

### Usage

- To operate the bolt, pull the handle back firmly and push it forward to chamber a round.
- Practice operating the bolt in a safe environment to become familiar with the increased leverage and speed.

## **Disposal Instructions**

- Dispose of the T1X Bolt Handle in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For further assistance, please reach out to the manufacturer or your local dealer. Ensure you have your product details ready for a more efficient support experience.

By following these safety instructions, you can ensure a safe and enjoyable experience with your T1X Bolt Handle. Thank you for prioritizing safety and responsible firearm use.
