

T1X BOTTOM METAL - MOUNTAIN TACTICAL T1X BOTTOM METAL

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The Tikka T1x has been an overwhelming success in the rimfire shooting community. Now there is a solution for the plastic trigger guard and bottom metal for this great little rifle. Mountain Tactical milled a larger magazine well into the bottom metal to speed up magazine changes. No modifications to the stock or rifle system are necessary for this conversion. Specifications: Bottom Metal Body - 6061-T6 Billet Aluminum Bottom Metal Finish - Mil-Spec Hard Anodized

T1X Bottom Metal Safety Instruction Guide

Introduction

Thank you for choosing the T1X Bottom Metal from Mountain Tactical. This product is designed to enhance the performance and usability of your Tikka T1x rifle. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe handling, installation, and disposal of the product.

General Safety Guidelines

- Always read and follow the manufacturer's instructions for the T1X Bottom Metal and your Tikka T1x rifle.
- Ensure that the product is only used for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or handling the T1X Bottom Metal.
- Use appropriate safety gear, such as eye protection, when working on your rifle.
- Be cautious of sharp edges on the metal components during installation.
- Avoid using excessive force during installation to prevent damage to the product or the rifle.
- Do not modify the T1X Bottom Metal or attempt to use it in a way not specified by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any other required equipment.
- Ensure that your workspace is clean and free of distractions.

2. Installation Steps:

- Unload your Tikka T1x rifle and ensure it is safe to handle.
- Remove the existing trigger guard and bottom metal from the rifle.
- Align the T1X Bottom Metal with the magazine well of the rifle.
- Secure the T1X Bottom Metal in place using the provided screws. Ensure all screws are tightened properly but do not overtighten.
- Test the magazine fit and function to ensure smooth operation.

3. Usage:

- Once installed, the T1X Bottom Metal allows for quicker magazine changes. Practice safe handling and operation of your rifle at all times.
- Regularly check the installation for any looseness or wear.

Disposal Instructions

- When disposing of the T1X Bottom Metal, follow local regulations regarding metal recycling and disposal.
- Ensure that all components are disposed of in an environmentally friendly manner.
- Do not throw the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the T1X Bottom Metal or its installation, please refer to the manufacturer's website or customer support resources. It is important to ensure that you have the most accurate and up-to-date information.

By following these guidelines, you can help ensure a safe and enjoyable experience with your T1X Bottom Metal and Tikka T1x rifle. Thank you for your attention to safety.
