Safety Instruction Guide for OKW18650 Weapons Lights Modlite Systems

Introduction

Thank you for choosing the OKW18650 Weapons Lights Modlite Systems. This guide provides essential safety information to ensure the safe and effective use of your Modlite weaponlight. Please read and follow these instructions carefully to avoid hazards and ensure optimal performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a weaponlight.
- Always handle the light with care to prevent damage to the unit and ensure safety during use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of weaponlights.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Use only the recommended KeepPower 3500mAh 18650 battery.
 - Do not use damaged or expired batteries.
 - Avoid exposing the battery to extreme temperatures or direct sunlight.
 - Dispose of batteries according to local regulations.
- **Light Usage:**
 - Do not stare directly into the light beam to prevent eye damage.
 - Always ensure the light is securely attached to the weapon before use.
 - Do not activate the light in enclosed spaces without proper ventilation.
- **Charging Safety:**
 - Use only the included XTAR MC2 charger for charging the battery.
 - Do not leave the charger unattended while in use.
 - Unplug the charger when not in use to avoid overheating.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the weapon is unloaded and pointed in a safe direction.
 2. Attach the OKW light head to the 18650 body and secure it tightly.
 3. Connect the tail cap to the body, ensuring a snug fit.
 4. Insert the KeepPower 3500mAh 18650 battery into the body, ensuring correct polarity.
 5. If using the light with a weapon, securely mount the light according to the weapon's specifications.
- **Usage:**
 - To activate the light, press the switch located on the tail cap.
 - For optimal performance, ensure the battery is fully charged before use.
 - The light provides approximately 680 lumens and a runtime of about 75 minutes with the supplied battery.

Disposal Instructions

- Dispose of the Modlite weaponlight and its components responsibly.
- Follow local regulations for the disposal of electronic devices and batteries.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your OKW18650 Weapons Lights Modlite Systems, please refer to the product packaging for contact information or visit the manufacturer's website.

Thank you for following these safety guidelines. Your safety is our priority. Enjoy the reliable performance of your Modlite weaponlight!
