

PLHV2-18350 WEAPON LIGHTS - MODLITE SYSTEMS PLHV2-18350 COMPLETE LIGHT FDE

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

This Modlite PLHV2 18350 weapon light package contains a PLHV2-light head, 18350 body and the option of a tail cap or without a tail cap. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. Item 100-042-502 does not include a tail cap or charger to offer a savings for those who don't need those components. This light is a large step forward from the PLHV1 light. Lumen output is about the same, but throw is greatly improved. It is the best balance of flood and throw available. If you are looking for the best overall output and throw this is the package you want. Features Cool White 5700K emitter tint Made and assembled in the USA Drivers are fully potted and tested to withstand select fire SCAR 17 recoil. Lifetime guarantee Approximately 1350 out the front lumens and candela is approximately 54,000. It is an excellent overall light head good for indoor or outdoor use. 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra clear BOROFLOAT® lens allows 98-99% light transmittance. Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. We recommend the KeepPower 18350 high drain cells which can be found separately. Runtime is about 35 minutes with the supplied 18350 cells.

Modlite PLHv218350 Weapon Light Safety Instructions

Introduction

Thank you for choosing the Modlite PLHv218350 Weapon Light. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new weapon light. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure safe use of the weapon light by following all instructions provided in this manual.
- The Modlite PLHv218350 is designed for use with specific battery types. Using incompatible batteries may cause overheating, explosion, or fire.
- Always handle the weapon light with care, and avoid exposing it to extreme temperatures or moisture.
- Keep the weapon light out of reach of children and other vulnerable individuals.
- Regularly inspect the weapon light for any signs of damage or wear. If damaged, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Use only the recommended KeepPower 18350 high drain cells. Other battery types, especially Lithium CR123 cells, are not supported and can lead to dangerous situations.
 - Do not attempt to charge nonrechargeable batteries in the charger provided.
 - Always ensure the battery is installed correctly, matching the positive (+) and negative (-) terminals.
- **Light Operation:**
 - Do not shine the weapon light directly into anyone's eyes, as it may cause temporary blindness or discomfort.
 - Avoid prolonged exposure to the light beam, especially at close range.
 - Use the weapon light only for its intended purpose as specified in the product description.
- **Environmental Considerations:**
 - Do not use the weapon light in explosive or flammable environments.
 - Avoid exposing the light to water or extreme humidity, as this may damage the internal components.

Instructions for Installation and Usage

Installation

1. Battery Installation:

- Unscrew the tail cap of the weapon light.
- Insert the KeepPower 18350 battery into the body of the light, ensuring correct polarity.
- Reattach the tail cap securely.

2. Selecting Tail Cap Option:

- If using a tail cap, ensure it is properly seated to avoid any connection issues.
- If using without a tail cap, ensure that the light is securely assembled.

Usage

- To turn on the light, press the activation switch located on the tail cap.
- For momentary activation, press and hold the switch. Release to turn off.
- For constant on, press the switch until it clicks, then release.
- Adjust the beam as needed for your specific use case, balancing between flood and throw.

Disposal Instructions

- Dispose of the weapon light and batteries in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Instead, use designated battery recycling facilities.
- For the weapon light, check with local electronic waste disposal services for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Modlite PLHv218350 Weapon Light, please refer to the contact details provided at the point of purchase or on the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Modlite PLHv218350 Weapon Light. Thank you for your attention to safety, and enjoy your new product!
