

PLHV2-18350 WEAPON LIGHTS - MODLITE SYSTEMS PLHV2-18350 COMPLETE LIGHT FDE - NO TAILCAP

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

This Modlite PLHV2 18350 weapon light package contains a PLHV2-light head, 18350 body and the option of a tail cap or without a tail cap. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. Item 100-042-502 does not include a tail cap or charger to offer a savings for those who don't need those components. This light is a large step forward from the PLHV1 light. Lumen output is about the same, but throw is greatly improved. It is the best balance of flood and throw available. If you are looking for the best overall output and throw this is the package you want. Features Cool White 5700K emitter tint Made and assembled in the USA Drivers are fully potted and tested to withstand select fire SCAR 17 recoil. Lifetime guarantee Approximately 1350 out the front lumens and candela is approximately 54,000. It is an excellent overall light head good for indoor or outdoor use. 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra clear BOROFLOAT® lens allows 98-99% light transmittance. Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. We recommend the KeepPower 18350 high drain cells which can be found separately. Runtime is about 35 minutes with the supplied 18350 cells.

Safety Instruction Guide for PLHV218350 Weapon Lights Modlite Systems

Introduction

Thank you for choosing the PLHV218350 Weapon Lights Modlite Systems. This guide provides essential safety information and instructions for the safe use and maintenance of your weapon light. Please read this guide carefully to ensure your safety and the optimal performance of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the PLHV218350 weapon light by following all instructions and safety precautions included in this guide.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. If your product is affected, you will receive free remedies.
- **Online Shopping Safety:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of vulnerable groups.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided by the manufacturer or retailer.
- **Rapid Alerts:** Stay informed about potential product hazards through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Do not use Lithium CR123 cells as they are not supported and may cause overheating, explosion, or fire.
 - Ensure the weapon light is securely attached to your firearm before use to prevent accidents.
- **Avoiding Hazards:**
 - Always inspect the weapon light before use to ensure it is in good condition.
 - Do not expose the light to extreme temperatures or moisture.
 - Use only the recommended KeepPower 18350 high drain cells for optimal performance and safety.
- **Age Restrictions:**
 - This product is intended for adult users only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the weapon is unloaded and safe before installation.
 2. Remove the tail cap (if applicable) and insert the KeepPower 18350 battery into the body of the light.
 3. Reattach the tail cap securely if it is included in your package.
 4. Attach the weapon light to your firearm according to the manufacturer's specifications.
- **Usage:**

- To activate the light, use the designated switch located on the body or tail cap.
- For optimal performance, avoid prolonged use in extreme conditions.
- Monitor the battery level and replace the battery when it is low to ensure continued functionality.

- **Charging:**

- Use the XTAR MC2 charger (if included) to charge the battery. Follow the charger's instructions carefully.
- Do not leave the battery unattended while charging.

Disposal Instructions

- **Battery Disposal:**

- Dispose of used batteries in accordance with local regulations for hazardous waste.
- Do not throw batteries in regular trash as they may pose environmental hazards.

- **Product Disposal:**

- When disposing of the weapon light, follow local electronic waste disposal guidelines.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the PLHV218350 weapon light, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your product details ready for efficient assistance.

By following these safety instructions, you can ensure the safe and effective use of your PLHV218350 Weapon Lights Modlite Systems. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
