

# PLHV2-18350 WEAPON LIGHTS - MODLITE SYSTEMS PLHV2-18350 COMPLETE LIGHT FDE - NO TAILCAP OR CHARGER

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

This Modlite PLHV2 18350 weapon light package contains a PLHV2-light head, 18350 body and the option of a tail cap or without a tail cap. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. Item 100-042-502 does not include a tail cap or charger to offer a savings for those who don't need those components. This light is a large step forward from the PLHV1 light. Lumen output is about the same, but throw is greatly improved. It is the best balance of flood and throw available. If you are looking for the best overall output and throw this is the package you want. Features Cool White 5700K emitter tint Made and assembled in the USA Drivers are fully potted and tested to withstand select fire SCAR 17 recoil. Lifetime guarantee Approximately 1350 out the front lumens and candela is approximately 54,000. It is an excellent overall light head good for indoor or outdoor use. 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra clear BOROFLOAT® lens allows 98-99% light transmittance. Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. We recommend the KeepPower 18350 high drain cells which can be found separately. Runtime is about 35 minutes with the supplied 18350 cells.

# Safety Instruction Guide for PLHV218350 Weapon Lights Modlite Systems

## Introduction

Thank you for choosing the PLHV218350 Weapon Lights from Modlite Systems. This guide provides important safety information and instructions for the safe use and maintenance of your weapon light. Please read this document carefully to ensure proper operation and to avoid hazards.

## General Safety Guidelines

- Ensure that the weapon light is used only for its intended purpose.
- Always handle the weapon light with care to avoid accidental activation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the weapon light for any signs of damage or wear.
- If you notice any unusual behavior or malfunction, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding the use of weapon lights.

## Specific Safety Precautions for Use

- **Battery Safety:**
  - Use only the recommended KeepPower 18350 high drain cells.
  - Do not use Lithium CR123 cells, as they may overheat and cause fire or explosion.
- **Heat Management:**
  - Avoid prolonged use to prevent overheating. Allow the light to cool down if it becomes too hot to touch.
- **Environmental Considerations:**
  - Do not expose the weapon light to extreme temperatures, moisture, or corrosive environments.
- **Mounting and Operation:**
  - Ensure the weapon light is securely mounted before use.
  - Do not point the light at anyone's eyes, as it may cause temporary blindness.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the weapon is unloaded and safe before installing the light.
- Attach the PLHV2light head to the 18350 body securely.
- If using a tail cap, attach it according to the manufacturer's instructions.
- Insert the KeepPower 1200mAh 18350 battery, ensuring correct polarity.

### 2. Usage:

- Turn on the light using the designated switch.
- Adjust the beam as needed for your specific application.
- Monitor the battery level and replace it when necessary to maintain optimal performance.
- After use, turn off the light to conserve battery life.

## Disposal Instructions

- Dispose of the weapon light and batteries in accordance with local regulations.
- Do not dispose of batteries in fire, as they may explode.
- Recycle the product where facilities exist. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the PLHV218350 Weapon Lights, please refer to the manufacturer's official website or contact your retailer for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your PLHV218350 Weapon Lights. Thank you for your attention to safety.
