SCR Lower Receiver Safety Instruction Guide

Introduction

Thank you for choosing the SCR Lower Receiver from Fightlite Industries. This safety instruction guide is designed to provide you with essential information to ensure the safe use and handling of your product. Please read this guide carefully before using the SCR Lower Receiver.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearms and firearm components before purchasing or using this product.
- Always handle firearms with care and assume that they are loaded until verified otherwise.
- Keep firearms out of reach of children and unauthorized users.
- Regularly inspect your SCR Lower Receiver for any signs of wear or damage.
- Use only compatible parts and accessories with your SCR Lower Receiver to ensure safe operation.
- Always wear appropriate safety gear, such as eye protection and hearing protection, when using firearms.

Specific Safety Precautions for Use

- Before using the SCR Lower Receiver, ensure that it is properly assembled and that all components are securely attached.
- Always follow the manufacturer's instructions for installation and use.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Do not modify the SCR Lower Receiver in any way that could affect its safety or performance.
- If you experience any malfunctions or irregularities during use, cease operation immediately and seek professional assistance.
- Avoid using the SCR Lower Receiver in adverse weather conditions, which may affect its performance.

Instructions for Installation and Usage

• Installation:

1. Ensure that all parts are present: SCR Lower Receiver, Operator's Manual, Bolt Catch, SCR® Bolt Carrier, Strut & Dowel Pin.
2. Follow the detailed installation instructions provided in the Operator's Manual.
3. Ensure that the wood buttstock is securely attached to the lower receiver.
4. Check that the Bolt Catch and other components are properly installed and functioning.

• Usage:

1. Before loading, ensure the firearm is pointed in a safe direction.
2. Load ammunition only in a safe environment and in accordance with local laws.
3. Always keep your finger off the trigger until you are ready to shoot.
4. After use, ensure that the firearm is unloaded and properly stored.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not throw away the SCR Lower Receiver in regular waste.
- Contact your local waste management authority for guidance on the proper disposal of firearm components.

Contact Information for Further Support

For any safety inquiries or additional support regarding the SCR Lower Receiver, please refer to the manufacturer's website or contact the appropriate customer service channels provided by Fightlite Industries.

Important Note

This safety instruction guide is in compliance with the EU General Product Safety Regulation (GPSR). It is essential to report any unsafe products or accidents to the appropriate authorities. For updates on product recalls, please check the EU's Safety Gate platform regularly. Your safety is paramount, and your cooperation in ensuring safe practices is greatly appreciated.
