

# **TENACTIY LONG ACTION RECEIVER - DEFIANCE MACHINE .300 WM TENACITY LONG ACTION WYATT'S MAG CUT**

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Rifle Receivers](#)

As Defiance has grown it has gained more equipment and more abilities. The already popular Tenacity has been updated with these advances to now come standard with an integral recoil lug. With the integral recoil lug and precision machined bolt the Tenacity guarantees a headspace tolerance of +/- .001" action to action, allowing the use of shoulder pre-fit barrels. Since some shooters and hunters don't always need custom options, Defiance has introduced a well-designed, precision rifle action at a great value. The Tenacity is machined from the same steels, to the same tolerances, and utilizes the same shouldered re-fit barrels as the Ruckus and Anti Receivers. Includes 20 MOA Stainless Picatinny Scope Rail Long Action Right Hand Only .30-06 features Wyatt's magazine cut (hinged floorplate or detachable) .300 Win Mag features Wyatt's Magazine Cut (hinged floorplate or detachable) Ultra Mag Action features Wyatt's Ultra Mag Magazine Cut (hinged floorplate or detachable) .338 Lapua Mag features a Rigby Mag Well which requires Rigby BDL Triggerguard ((hinged floorplate or detachable)

# TENACTIY LONG ACTION RECEIVER DEFIANCE MACHINE .300 WM Safety Instruction Guide

## Introduction

Thank you for choosing the TENACTIY LONG ACTION RECEIVER DEFIANCE MACHINE .300 WM. This product is designed to provide a reliable and high performance experience for shooting enthusiasts. To ensure your safety and the safety of others, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms securely and out of reach of children.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm.
- Be aware of your surroundings and ensure that there is a safe backstop when shooting.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly inspect the firearm for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- **Recoil Management:** The integral recoil lug helps manage recoil effectively. Ensure that you are prepared for the recoil when firing.
- **Ammunition Compatibility:** Use only the recommended ammunition types for this firearm. Refer to the specifications for compatible cartridges:
  - .300 Winchester Magnum
  - 7 mm Remington Magnum
  - 300 PRC
- **Installation of Accessories:** When installing accessories such as scopes or rails, ensure they are securely attached to prevent any accidents during use.
- **Cleaning and Maintenance:** Regularly clean the firearm according to the manufacturer's instructions to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation of Scope Rail:

- Ensure the firearm is unloaded before beginning installation.
- Remove any existing scope rail if necessary.
- Align the 20 MOA Stainless Picatinny Scope Rail with the mounting holes on the receiver.
- Secure the rail using the provided screws, ensuring they are tightened to the manufacturer's specifications.

### 2. Loading the Firearm:

- Ensure the safety is engaged before loading.
- Insert the magazine into the magazine well until it clicks into place.
- Load the appropriate cartridges into the magazine, following the indicated orientation.

### 3. Firing the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Disengage the safety.

- Take aim and pull the trigger smoothly to fire.

#### **4. Unloading the Firearm:**

- Engage the safety.
- Remove the magazine and ensure all cartridges are ejected from the chamber.

#### **5. PostUse Inspection:**

- After use, clean the firearm and inspect for any signs of wear or damage.

## **Disposal Instructions**

When disposing of this product, please follow local regulations for the disposal of firearms and firearm components. Ensure that the firearm is rendered inoperable before disposal.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding this product, please refer to the contact information provided on the packaging or the manufacturer's website.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TENACTIY LONG ACTION RECEIVER DEFIANCE MACHINE .300 WM. Always prioritize safety and responsibility while handling firearms.
