

# FMJ .45 CALIBER (0.451") PISTOL BULLETS - FULL METAL JACKET

## 45 CALIBER (0.451") 230GR 1500/CASE

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Hornady® FMJ handgun bullets have long served as a standard for target shooting applications. Hornady® FMJ bullets are built with a rugged jacket and the difference in performance is clear. The thinly plated full metal jacket from other manufacturers is easily distorted and often breaks or separates when the bullet impacts the target. Hornady® FMJ bullets are carefully designed and manufactured to give superior functioning in semi-automatic handguns, and they deliver match-grade accuracy! FEATURES BUILT FOR COMPETITION: Expansion isn't an issue in action pistol shooting, so Hornady removed the expansion-aiding skives. The result is a bullet that delivers the accuracy its sleek appearance promises. NO EXPOSED LEAD: A jam can cost the match for a competitive shooter, and that's why Hornady's jacket protects the nose of Hornady's FMJ bullet. SWAGED CORE: The core of the FMJ bullet is cold swaged from pure lead to deliver consistency, balance and stability in flight. It delivers pinpoint accuracy with every shot.

### Attributes

- Name: [FULL METAL JACKET 45 CALIBER \(0.451"\) 230GR 1500/CASE](#)
- Manufacturer: [HORNADY](#)
- Product no.: 100200077
- Mfr. No.: 45177B
- Bullet Style: Full Metal Jacket (FMJ)
- Caliber: 45 Caliber
- Diameter (in): 0.451
- Grain: 230
- Quantity: 1,500
- Delivery weight: 22.68kg

# Safety Instruction Guide for Hornady® FMJ .45 Caliber Pistol Bullets

## Introduction

Thank you for choosing Hornady® FMJ .45 Caliber (0.451") Pistol Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of these bullets in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all safety precautions are followed during handling and usage.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when handling or using ammunition.
- Report any unsafe products or accidents to local authorities.
- Check the EU's Safety Gate platform regularly for recall updates.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury if bullets are mishandled or improperly used.
  - Ensure that firearms are compatible with .45 caliber bullets before use.
- **Avoiding Hazards:**
  - Do not attempt to modify or alter the bullets in any way.
  - Never point a firearm at anything you do not intend to shoot.
  - Always treat firearms as if they are loaded.
  - Use only in designated shooting ranges or safe environments.
- **Age Restrictions:**
  - These bullets are intended for use by individuals aged 18 and older.
  - Ensure that minors are supervised by a responsible adult during any handling or shooting activities.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that your firearm is unloaded before attempting to load bullets.
  - Follow the manufacturer's instructions for your specific firearm regarding bullet loading.
- **Usage:**
  - Load bullets into the magazine as per the firearm's specifications.
  - Check that the bullets are seated correctly and securely in the chamber.
  - Always aim in a safe direction and ensure that the shooting area is clear of obstructions and people before firing.
  - Fire only when you are confident in your aim and the safety of your surroundings.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations regarding hazardous waste.
- Do not throw bullets in regular trash.
- Contact local authorities or waste disposal services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please reach out to the designated EU contact point for assistance.

Thank you for prioritizing safety while using Hornady® FMJ .45 Caliber Pistol Bullets. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
