

FMJ 9MM CALIBER (0.355") PISTOL BULLETS - FULL METAL JACKET 9MM (0.355") 115GR ROUND NOSE 3000/CASE

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Hornady® FMJ handgun bullets have long served as a standard for target shooting applications. Hornady® FMJ bullets are built with a rugged jacket and the difference in performance is clear. The thinly plated full metal jacket from other manufacturers is easily distorted and often breaks or separates when the bullet impacts the target. Hornady® FMJ bullets are carefully designed and manufactured to give superior functioning in semi-automatic handguns, and they deliver match-grade accuracy! FEATURES BUILT FOR COMPETITION: Expansion isn't an issue in action pistol shooting, so Hornady removed the expansion-aiding skives. The result is a bullet that delivers the accuracy its sleek appearance promises. NO EXPOSED LEAD: A jam can cost the match for a competitive shooter, and that's why Hornady's jacket protects the nose of Hornady's FMJ bullet. SWAGED CORE: The core of the FMJ bullet is cold swaged from pure lead to deliver consistency, balance and stability in flight. It delivers pinpoint accuracy with every shot.

Attributes

- Name: [FULL METAL JACKET 9MM \(0.355"\) 115GR ROUND NOSE 3000/CASE](#)

FMJ 9MM Caliber Pistol Bullets Safety Instruction Guide

Introduction

Thank you for choosing Hornady® FMJ 9MM Caliber Pistol Bullets. This guide provides essential safety instructions and guidelines to ensure the safe handling and use of this product. Please read and follow all instructions carefully to minimize risks and ensure a safe shooting experience.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are designed for 9MM caliber ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Follow the manufacturer's instructions for your firearm to ensure proper use and maintenance.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are at least 18 years old. Ensure that minors are supervised by a responsible adult when handling or using this product.
- **Handling Ammunition:** Avoid dropping or striking the ammunition, as this may cause damage or unintended discharge.
- **Inspection:** Before use, inspect each bullet for any signs of damage or defects. Do not use damaged ammunition.
- **Loading Firearms:** Follow proper procedures for loading and unloading your firearm. Ensure the firearm is pointed in a safe direction at all times.
- **Shooting Range:** Use this ammunition only in designated shooting ranges or areas where shooting is permitted.

Instructions for Installation and Usage

- **Loading Your Firearm:**

1. Ensure the firearm is pointed in a safe direction.
2. Open the action of the firearm and visually inspect the chamber to confirm it is empty.
3. Insert the FMJ bullets into the magazine according to the manufacturer's instructions.
4. Close the action of the firearm and ensure it is ready for use.

- **Firing:**

1. Take a stable shooting stance and grip the firearm firmly.
2. Aim at the target and ensure your line of sight is clear.
3. Squeeze the trigger gently to fire the bullet.
4. After firing, keep the firearm pointed downrange until you are ready to unload.

- **Unloading Your Firearm:**

1. Point the firearm in a safe direction.
2. Open the action and remove the magazine.

3. Visually inspect the chamber to ensure it is empty.
4. Store the firearm and ammunition separately in a secure location.

Disposal Instructions

- Dispose of unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in the trash or dispose of it in regular waste.
- Contact your local waste management facility for guidance on safe disposal options.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the official Hornady® website or contact your local retailer. Always ensure you have the latest information regarding product safety and usage.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable shooting experience with your Hornady® FMJ 9MM Caliber Pistol Bullets. Thank you for prioritizing safety in your shooting activities.
