

FMJ 9MM CALIBER (0.355") PISTOL BULLETS - FULL METAL JACKET 9MM (0.355") 124GR ROUND NOSE 2900/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Hornady® FMJ handgun bullets have long served as a standard for target shooting applications. Hornady® FMJ bullets are built with a rugged jacket and the difference in performance is clear. The thinly plated full metal jacket from other manufacturers is easily distorted and often breaks or separates when the bullet impacts the target. Hornady® FMJ bullets are carefully designed and manufactured to give superior functioning in semi-automatic handguns, and they deliver match-grade accuracy! FEATURES BUILT FOR COMPETITION: Expansion isn't an issue in action pistol shooting, so Hornady removed the expansion-aiding skives. The result is a bullet that delivers the accuracy its sleek appearance promises. NO EXPOSED LEAD: A jam can cost the match for a competitive shooter, and that's why Hornady's jacket protects the nose of Hornady's FMJ bullet. SWAGED CORE: The core of the FMJ bullet is cold swaged from pure lead to deliver consistency, balance and stability in flight. It delivers pinpoint accuracy with every shot.

Attributes

- Name: [FULL METAL JACKET 9MM \(0.355"\) 124GR ROUND NOSE 2900/BOX](#)

Safety Instruction Guide for Hornady® FMJ 9MM Caliber Pistol Bullets

Introduction

Thank you for choosing Hornady® FMJ 9MM Caliber Pistol Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read and follow these guidelines carefully to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is stored in a cool, dry place, away from direct sunlight and moisture.
- Always handle ammunition with care and keep it out of reach of children and unauthorized persons.
- Use appropriate protective gear, such as safety glasses and hearing protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly check for updates on product recalls and safety warnings through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of accidental discharge if not handled properly.
- Potential for injury from misuse or improper handling.
- Exposure to lead and other materials during shooting.

- **Instructions for Avoiding Hazards:**

- Always treat firearms as if they are loaded.
- Never point a firearm at anything you do not intend to shoot.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Inspect ammunition before use to ensure it is free from defects or damage.
- Do not attempt to modify or disassemble the bullets.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 years and older. Ensure that minors are supervised at all times.

Instructions for Installation and Usage

- **Installation:**

- Ensure that your firearm is compatible with 9MM caliber ammunition before use.
- Load the ammunition into the magazine according to the manufacturer's instructions.

- **Usage:**

- Always follow the firearm manufacturer's guidelines for operation.
- Use the ammunition only in semiautomatic handguns designed for 9MM caliber bullets.
- Maintain a safe distance from others while shooting.
- In case of a misfire, wait at least 30 seconds before attempting to clear the firearm, and follow proper procedures.

Disposal Instructions

- Dispose of used ammunition and packaging in accordance with local regulations.
- Do not dispose of bullets or packaging in regular household waste.
- Contact local authorities or waste disposal services for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding Hornady® FMJ 9MM Caliber Pistol Bullets, please reach out to your local dealer or manufacturer. Ensure you provide them with the product details for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of Hornady® FMJ 9MM Caliber Pistol Bullets. Your safety is our priority. Thank you for your attention to these important instructions.
