

# GREAT PLAINS MUZZLELOADING BULLETS - GREAT PLAINS 50 CALIBER 385GR LEAD HP 20/BOX

[Reloading](#) > [Muzzleloading Components](#) > [Bullets](#)

Hornady Great Plains lead Muzzleloading bullets were designed specifically for hunting. These bullets feature 3 different bearing surfaces, the base has the smallest diameter to ease loading, the middle and top gets increasingly larger to help engage the rifling and grooves of the rifle. The base has a thin skirt that expands upon firing to seal the bore, preventing loss of velocity. Bullets come pre-lubed with all natural lube.

# GREAT PLAINS MUZZLELOADING BULLETS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Hornady Great Plains Muzzleloading Bullets. This guide provides essential safety instructions to ensure the responsible use of this product. By following these guidelines, you can enjoy safe and effective hunting experiences.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place, away from children and unauthorized users.
- Use only the recommended caliber and bullet type for your firearm.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Ensure that the firearm is in good working condition before use.
- Inspect the bullets for any damage before loading.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed bullets.
- Use the bullets only for their intended purpose (muzzleloading hunting).
- Never point a firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and check that the chamber is empty.
- Use the smallest diameter base of the bullet to ease loading into the muzzle.
- Push the bullet into the muzzle until it is seated firmly against the powder charge.
- Use a ramrod to ensure the bullet is properly seated.

### 2. Firing the Bullets:

- Ensure the firearm is aimed at a safe target.
- Check that the area is clear of people, animals, and obstructions.
- Follow the manufacturer's instructions for firing the specific muzzleloader.
- After firing, wait a few moments before checking the barrel for any obstructions.

### 3. PostUse:

- Clean the firearm and remove any residue after use.
- Store the bullets in their original packaging until needed.
- Dispose of any damaged or unused bullets in accordance with local regulations.

## **Disposal Instructions**

- Dispose of used or damaged bullets in accordance with local hazardous waste disposal regulations.
- Do not throw bullets in regular trash or burn them.
- Check with local authorities for specific disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Hornady Great Plains Muzzleloading Bullets, please contact the manufacturer or your local firearms dealer for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Hornady Great Plains Muzzleloading Bullets. Always prioritize safety and responsible usage.
