# Safety Instruction Guide for PRESS TYPE SHELLHOLDERS #36

## Introduction

Thank you for choosing the PRESS TYPE SHELLHOLDERS #36 by Hornady. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the shellholders.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure the shellholders are compatible with your reloading press before use.
- Keep the shellholders out of reach of children and vulnerable individuals.
- Regularly inspect the shellholders for any signs of damage or wear before use.
- If you notice any defects, do not use the shellholders and contact the manufacturer for assistance.
- Report any accidents or unsafe products to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only the recommended cartridges: 32 H&R Magnum, 32 S&W Long, 32 S&W, and 327 Federal Magnum.
- Avoid using the shellholders with cartridges that are not specified, as this may cause malfunctions.
- Wear appropriate eye protection while using reloading equipment.
- Ensure your workspace is clean and organized to prevent accidents.
- Do not exceed the recommended load limits for your reloading press.
- Always follow safe reloading practices as outlined in the reloading press manual.

## Instructions for Installation and Usage

### 1. Installation:

- Before installation, ensure that your reloading press is turned off and unplugged.
- Locate the shellholder slot on your reloading press.
- Insert the PRESS TYPE SHELLHOLDER #36 into the shellholder slot until it is securely seated.
- Ensure that the shellholder is properly aligned and locked in place before use.

### 2. Usage:

- Confirm that the correct cartridge is loaded into the shellholder.
- Follow the reloading press instructions for operating the press while using the shellholder.
- Monitor the reloading process closely to ensure safe operation.
- After reloading, remove the shellholder from the press and store it in a safe location.

## Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw shellholders in regular household waste. Check for recycling options or designated hazardous waste disposal facilities.
- Ensure that all components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the PRESS TYPE SHELLHOLDERS #36, please refer to the manufacturer's contact information available on their website or product packaging.

By adhering to these safety instructions, you can ensure a safe and efficient reloading experience with your PRESS TYPE SHELLHOLDERS #36. Thank you for your attention to safety.
