

# PRESS TYPE SHELLHOLDERS - #37 PRESS TYPE SHELLHOLDER

[Reloading](#) > [Shellholders & Shellplates](#)

Hornady Shell Holders are precision machined from solid steel then heat treated to perform flawlessly for the life of the press. They fit all other Hornady accessories (Case Trimmer, Hand-Held Priming Tool, etc.). Hornady steel shell holders also fit most other brands of reloading presses. View Hornady Shellholder Chart.

# PRESS TYPE SHELLHOLDERS #37 PRESS TYPE SHELLHOLDER Safety Instructions

## Introduction

Thank you for choosing the Hornady Press Type Shellholder #37. This product is designed for use with various reloading presses and accessories. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the shellholder is compatible with your reloading press and the cartridges you are using.
- Regularly inspect the shellholder for any signs of wear or damage before each use.
- Keep the shellholder and all reloading tools out of reach of children and vulnerable individuals.
- Follow all manufacturer instructions and guidelines for your reloading press and accessories.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the reloading area is wellventilated and free from distractions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while reloading.
- Do not exceed the recommended load limits for the cartridges you are using.
- Avoid using damaged or worn shellholders, as they may cause malfunctions or accidents.
- Handle all reloading components, including primers and powder, with care to avoid accidental ignition or spillage.
- When using the shellholder, keep fingers and hands clear of moving parts to prevent injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Insert the Hornady Press Type Shellholder #37 into the shellholder slot until it is firmly seated.
- Doublecheck that the shellholder is securely in place before proceeding.

### 2. Usage:

- Select the appropriate cartridge (5.7 x 28 mm or 25 Auto) for your reloading project.
- Place the cartridge case into the shellholder, ensuring it is properly seated.
- Follow your reloading press's operational guidelines to complete the reloading process.
- After use, remove the cartridge case and clean the shellholder to maintain its condition.

## Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- If the shellholder is damaged or no longer usable, consider recycling the metal components where possible.
- Do not dispose of the shellholder in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Hornady Press Type Shellholder #37, please refer to the EUbased contact point provided by the manufacturer.

Thank you for prioritizing safety while using the Hornady Press Type Shellholder #37. Your adherence to these guidelines helps ensure a safe reloading experience.
