ZEROED 60™ / 90™ Ambidextrous Safety Selector

Safety Instruction Guide

Introduction

Thank you for choosing the CMMG® ZEROED™ Adjustable Throw AmbiSafety Selector. This product is designed for safe and effective use in conjunction with your firearm. Please read this safety instruction guide carefully to ensure proper installation, usage, and disposal. Your safety is our priority.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely and out of reach of children.
- Regularly inspect your safety selector for wear and damage.
- Be aware of your surroundings and ensure a clear line of sight before using your firearm.

Specific Safety Precautions for Use

- Only use the ZEROED AmbiSafety Selector with compatible firearms.
- Ensure the selector is in the safe position when not in use.
- Do not attempt to modify or alter the safety selector in any way.
- Be aware of the selector's travel options (90° and 60°) and ensure you are familiar with their operation before use.
- Use the selector in accordance with the manufacturer's guidelines to prevent accidental discharge.
- If you experience any issues with the selector, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a punch and hammer.
2. **Remove Existing Selector:**
 - Clear the firearm of all ammunition.
 - Disassemble the firearm according to the manufacturer's instructions.
 - Carefully remove the existing safety selector.
3. **Install the ZEROED AmbiSafety Selector:**
 - Insert the selector into the designated slot.
 - Ensure the selector is properly seated and aligned.
 - Reassemble the firearm following the manufacturer's instructions.
4. **Test Functionality:**
 - After installation, check that the selector functions correctly in both positions (90° and 60°).
 - Ensure that the selector moves smoothly and securely.

Usage

- To engage the safety, rotate the lever to the "safe" position.
- To disengage the safety, rotate the lever to the "fire" position.
- Practice using the selector in a safe environment to become familiar with its operation before using it in the field.

Disposal Instructions

- Dispose of the ZEROED AmbiSafety Selector in accordance with local regulations.
- Do not dispose of the selector in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the CMMG® ZEROED™ AmbiSafety Selector, please refer to the manufacturer's website or contact your local dealer. Ensure you have the product model and any relevant details ready for assistance.

By following these guidelines, you can ensure the safe and effective use of your CMMG® ZEROED™ AmbiSafety Selector. Always prioritize safety and stay informed about product recalls and safety updates. Thank you for your attention to these important safety instructions.
