

# OCTAGON LEVER 20IN 22 LR BLUE 15+1RD - HENRY REPEATING ARMS OCTAGON LEVER 20IN 22 LR BLUE 15

[Home](#)

Like stagecoaches swinging saloon doors and Pony Express riders there are many innovations of the Old West that have long faded from use and live on only in Western movies and history books. But there are still a few frontier staples that were so effective and ahead of their time that they remain in use today. Take for instance the intimidating octagonal barrels commonly found on the repeating rifles of that period. These heavy-duty workhorses sported added mass and extra weight to aid in heat absorption making them the forerunners to the bull barrels used on modern target and varmint rifles. So as a tip of our Stetson in honor of this timeless barrel style we replaced the standard round barrel normally used on our world-famous .22 LR and .22 Magnum rifles with a classic 20" octagonal model like those favored by the cowpunchers lawmen homesteaders and outlaws who blazed the trail westward across America. We rounded out this traditional look with an easy-to-adjust Marbles semi-buckhorn rear sight with a diamond insert and a highly visible brass beaded front sight seated in standard 3/8" dovetail slots. A metal barrel band secures both the barrel and the high-capacity tubular magazine to the highgrade American walnut stock. If you prefer a more modern look the receiver is grooved so you can top off any rifle in this line with your choice of scopes. Both the stock and forearm are crafted of the same richly grained hand-finished American walnut typically found on rifles costing up to three times as much

## Attributes

- Name: [HENRY REPEATING ARMS OCTAGON LEVER 20IN 22 LR BLUE 15](#)
- Manufacturer: [HENRY REPEATING ARMS](#)

# Safety Instruction Guide for the OCTAGON LEVER 20IN 22 LR BLUE

## Introduction

Thank you for choosing the OCTAGON LEVER 20IN 22 LR BLUE from Henry Repeating Arms. This safety instruction guide is designed to provide you with essential information to ensure safe handling, usage, and maintenance of your firearm. Please read this guide thoroughly before using the product. It is important to follow all safety precautions to ensure the wellbeing of yourself and others.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Be sure of your target and what lies beyond it.
- Keep your finger off the trigger until you are ready to shoot.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for signs of wear or damage.
- Use only the recommended ammunition for your firearm.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- **Age Restrictions:** This firearm should only be used by individuals who are of legal age and have received proper training in firearm safety.
- **Supervision:** Minors should always be supervised by a qualified adult when handling firearms.
- **Environment:** Use this firearm only in designated shooting areas that are safe and legal.
- **Protective Gear:** Always wear appropriate hearing and eye protection when shooting.
- **Misfires:** If a round does not fire, wait at least 30 seconds before attempting to clear the firearm to avoid accidental discharge.
- **Cleaning:** Before cleaning, ensure the firearm is unloaded and follow the manufacturer's instructions for maintenance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before starting any installation.
- If applicable, attach any accessories such as scopes or sights according to the manufacturer's instructions.

### 2. Loading the Firearm:

- Open the action and visually inspect the chamber to ensure it is empty.
- Load the tubular magazine with the appropriate ammunition, ensuring all rounds are facing the correct direction.

### 3. Firing the Firearm:

- Ensure you are in a safe environment and that your target is clearly identified.
- Hold the firearm firmly and ensure your finger is off the trigger until ready to shoot.
- Aim at the target and gently squeeze the trigger to fire.

#### **4. Unloading the Firearm:**

- Open the action and remove any live rounds from the chamber and magazine.
- Visually inspect the chamber to confirm it is empty.

#### **5. Storage:**

- Store your firearm in a secure location, preferably in a locked safe or cabinet.
- Ensure that ammunition is stored separately and out of reach of unauthorized users.

## **Disposal Instructions**

When disposing of this firearm, follow all local laws and regulations regarding firearm disposal. Consult with a licensed firearms dealer or local authorities for proper disposal methods to ensure safety and compliance with legal requirements.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of your OCTAGON LEVER 20IN 22 LR BLUE, please refer to the manufacturer's contact information provided with your product. It is crucial to reach out for assistance if you encounter any issues or require clarification on safety practices.

By following these guidelines, you can ensure a safe and enjoyable experience with your OCTAGON LEVER 20IN 22 LR BLUE. Always prioritize safety and responsibility when handling firearms.
