Safety Instruction Guide for Silencerco Threaded Barrel for Glock 17L

Introduction

Thank you for choosing the Silencerco Threaded Barrel for your Glock 17L. This guide provides essential safety instructions to ensure safe and proper use of the product. Please read this document carefully to understand the safety guidelines, installation procedures, and disposal instructions.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and in accordance with local laws and regulations.
- Ensure that the threaded barrel is compatible with your specific Glock model before installation.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the threaded barrel for any signs of wear, damage, or corrosion.
- Report any unsafe products or incidents to the appropriate authorities immediately.
- Stay informed about any recalls or safety notices regarding your product by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper installation or use of the threaded barrel may lead to malfunction or injury.
- Ensure that the barrel is securely attached to the firearm before use.

• Avoiding Hazards:

- Always ensure the firearm is unloaded before installing or removing the threaded barrel.
- Use only compatible ammunition (9 mm Luger for this product).
- Do not exceed the manufacturer's recommended barrel length.
- Use the included thread protector when the barrel is not in use to prevent damage.

• Age Specific Warnings:

- This product is intended for use by adults only. Keep it away from children and inexperienced users.

Instructions for Installation and Usage

• Installation Steps:

1. Ensure the firearm is completely unloaded and pointed in a safe direction.
2. Remove the existing barrel from the Glock 17L by following the manufacturer's instructions.
3. Carefully install the Silencerco threaded barrel by aligning it with the slide and pushing it into place until it is fully seated.
4. Secure the barrel in place according to the Glock's specifications.
5. Attach the thread protector to the threaded end of the barrel when not in use.

• Usage Instructions:

- Always perform a function check after installation to ensure proper operation.

- Use appropriate suppressors or muzzle devices designed for the 1/2x28 threads.
- Regularly clean and maintain the threaded barrel to ensure optimal performance and safety.

Disposal Instructions

- Dispose of the threaded barrel and any associated packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer functional; check for proper recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Silencerco Threaded Barrel for Glock 17L, please refer to the manufacturer's support resources or consult your local dealer.
