

# FOUNDATION SERIES CHEST RIG - BLACKHAWK FOUNDATION SERIES CHEST RIG BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

Mission dictates tactics, tactics dictate gear. We have taken this basic fighting principal to heart when developing the Blackhawk Foundation Series Chest Rig. Not every mission requires armor, but there are other mission critical items you will need at the ready. This is where the Foundation Chest Rig shines. The same placard mounting interface found on the Foundation Plate Carrier mirrors that on the Foundation Chest Rig, allowing you to rapidly move your preferred mission essentials between the two quickly and efficiently. By utilizing the same 1000D/500D laser cut, laminate nylon technology, Blackhawk is able to achieve an incredibly light weight and low-profile chest rig that rides comfortably, even under a pack. Durable, yet flexible 1000D to 500D laminate material One piece laser cut design has fewer breaking points Slim tuck straps, adjustable for wide array of body types Lightweight and low-profile laser cut design One piece laser cut design has fewer seams, reducing failure points Accommodates all Blackhawk front placards Low profile waist and shoulder straps are adjustable for most body types Hook and loop rear panel accept identification or moral patches Chest Rig does not include a placard.

# Safety Instruction Guide for BLACKHAWK FOUNDATION SERIES CHEST RIG

## Introduction

Thank you for choosing the BLACKHAWK Foundation Series Chest Rig. This guide provides essential safety instructions and guidelines to ensure the safe use of your chest rig. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the chest rig is suitable for your intended use and physical condition.
- Regularly inspect the chest rig for any signs of wear or damage before each use.
- Do not exceed the recommended weight limit for the chest rig, as this may compromise its structural integrity.
- Always use the chest rig in accordance with the manufacturer's guidelines and instructions.
- Keep the chest rig away from sharp objects and extreme heat sources to prevent damage.
- If you experience any discomfort or difficulty while wearing the chest rig, remove it immediately and seek assistance.

## Specific Safety Precautions for Use

- This chest rig is not designed for children. Ensure that it is used only by adults or under adult supervision.
- Avoid overloading the rig with equipment that may shift during movement, potentially causing injury.
- Ensure that all straps are properly adjusted to fit your body securely but comfortably.
- Be cautious when using the chest rig in low visibility conditions to avoid accidents or falls.
- If using the chest rig in a tactical environment, ensure that you follow all relevant safety protocols and guidelines.

## Instructions for Installation and Usage

### 1. Adjusting the Chest Rig:

- Place the chest rig over your shoulders and adjust the shoulder straps to your desired height.
- Ensure that the rig sits comfortably on your torso without restricting movement.
- Adjust the waist straps to secure the rig around your body. The waist straps should be snug but not overly tight.

### 2. Attaching Equipment:

- Utilize the placard mounting interface to attach your preferred mission essentials.
- Ensure that all attachments are securely fastened before use.

### 3. Using the Chest Rig:

- Wear the chest rig over appropriate clothing to avoid skin irritation.
- Regularly check the fit and make adjustments as necessary during use.
- Be mindful of your surroundings and the equipment you are carrying to maintain balance and stability.

## **Disposal Instructions**

- Dispose of the chest rig in accordance with local waste management regulations.
- If the chest rig is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the chest rig in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of the BLACKHAWK Foundation Series Chest Rig, please contact the manufacturer or your local retailer. Always ensure that you have the latest information regarding product safety and recalls.

By following these guidelines, you can ensure a safer experience while using the BLACKHAWK Foundation Series Chest Rig. Thank you for your attention to safety.
