Safety Instruction Guide for 12GAUGE INVECTOR PLUS CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE INVECTOR PLUS CHOKE TUBES. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your choke tubes. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model.
- Always handle firearms and accessories with care.
- Store choke tubes in a safe place, out of reach of children.
- Regularly inspect choke tubes for signs of wear, damage, or corrosion.
- Use only recommended ammunition types as specified in the product specifications.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the choke tubes only with lead and HeviShot loads, as specified.
- Avoid using XFull and Turkey constrictions with anything other than lead and HeviShot.
- Do not exceed the recommended load type and size for your choke tubes.
- Always ensure the shotgun is unloaded before installing or removing choke tubes.
- Follow the manufacturer's instructions for installation and removal of choke tubes.
- Be aware of the potential for increased recoil when using certain loads.
- Ensure that the shotgun is pointed in a safe direction at all times during handling.

Instructions for Installation and Usage

1. Installation of Choke Tubes:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use a choke wrench to remove the existing choke tube if necessary.
- Clean the threads of the choke tube and the barrel to remove any debris.
- Align the threads of the choke tube with the barrel and handtighten.
- Use the choke wrench to securely tighten the choke tube, being careful not to overtighten.

2. Usage of Choke Tubes:

- Load the shotgun with the appropriate ammunition.
- Ensure that the choke tube is properly installed and secure before firing.
- Always follow safe shooting practices and be aware of your surroundings.
- After use, clean the choke tubes to maintain their condition and performance.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 12GAUGE INVECTOR PLUS CHOKE TUBES, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to support for any safety inquiries or product issues.

By following these guidelines, you can ensure safe and effective use of your 12GAUGE INVECTOR PLUS CHOKE TUBES. Thank you for your attention to safety.
