Introduction

Thank you for choosing the Colt 11.5" Heavy Profile Barrel for your AR15. This safety instruction guide is designed to provide you with important information regarding the safe use, installation, and maintenance of your barrel. Please read this guide carefully to ensure a safe and enjoyable experience.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearm ownership and use in your area.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when handling firearms.
- Regularly inspect your firearm and barrel for any signs of damage or wear.
- Avoid using ammunition that is not specified for your firearm.

Specific Safety Precautions for Use

- Only use 5.56x45mm NATO or .223 Remington ammunition with this barrel.
- Ensure that the barrel is properly installed on a compatible AR15 upper receiver before use.
- Do not attempt to modify or alter the barrel in any way.
- Ensure that the gas port is properly drilled for use with a carbinelength gas tube.
- Always check the barrel for obstructions before firing.
- Be aware of the muzzle threads (1/2"28) and ensure that any attachments are compatible and securely fastened.
- Use the front sight post provided for accurate aiming and alignment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the upper receiver if applicable.
- Align the Colt 11.5" Heavy Profile Barrel with the upper receiver and attach it securely.
- Ensure that the barrel extension and front handguard cap are properly installed.
- Check that the front sight tower/gas block is correctly positioned and secured.
- Verify that the gas port is aligned with the carbinelength gas tube.

2. Usage:

- Load the firearm with the appropriate ammunition (5.56x45mm NATO or .223 Remington).
- Ensure that the firearm is aimed at a safe target before firing.
- Fire the firearm in a controlled manner, being mindful of your surroundings.
- After use, clean and maintain the barrel according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any unused ammunition and firearm components in accordance with local regulations.
- Do not dispose of firearms or firearm parts in regular household waste.
- Contact local authorities for guidance on safe disposal methods.
