

AR-15 M4A1 5.56 BARREL 14.5IN - COLT M4/M4A1 REPLACEMENT BARREL STRIPPED 14.5IN

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

An OEM Replacement Barrel Designed for the Colt M4A1

One of the most popular rifle configurations on the market is the M4A1-style AR-15, and these guns are based on the military-contract carbines produced by Colt in the first place. Now, you can get a genuine Colt-produced barrel for your M4A1 carbine clone. Each Colt M4A1 AR-15 Barrel, chambered in 5.56 NATO, features six-groove rifling with a 1:7-inch rate of twist. The barrels include M4-style feed ramps and have a chrome lining that prevents corrosion. Each barrel is set up for a carbine-length gas system and features 1/2"-28 TPI threading at the muzzle. Colt's M4A1 AR-15 Barrels are available in 14.5-inch lengths and can be had as a stripped barrel, complete with barrel extension, or as an assembly that includes a barrel nut, front-sight tower, post and sling swivel.

Consumer Safety Instruction Guide for AR15 M4A1 5.56 Barrel 14.5in

Introduction

Thank you for choosing the AR15 M4A1 5.56 Barrel 14.5in. This product is designed for use with AR15 style rifles and is manufactured by Colt. To ensure your safety and the optimal performance of your firearm, please read this guide carefully. It contains important safety information, usage guidelines, and instructions for installation.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installation or maintenance.
- Store the barrel and all firearm components in a secure location, away from children and unauthorized users.
- Use only compatible parts and accessories with your AR15 M4A1.
- Regularly inspect the barrel for signs of wear or damage.
- Follow local laws and regulations regarding firearm ownership and usage.
- In case of any malfunction or uncertainty, consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the barrel is properly installed before using the firearm.
- Use only ammunition that is compatible with the 5.56 mm NATO specification.
- Be aware of your surroundings and ensure a safe shooting environment.
- Wear appropriate safety gear, including eye and ear protection, when shooting.
- Do not modify the barrel or any other components without professional guidance.
- Keep the muzzle pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a barrel nut wrench and torque wrench.
- Ensure you have a clean and welllit workspace.

2. Installation:

- Ensure the firearm is unloaded and the chamber is clear.
- Remove the existing barrel from the upper receiver by loosening the barrel nut.
- Align the new Colt M4A1 barrel with the upper receiver, ensuring that the feed ramps are properly positioned.
- Install the barrel nut and tighten it to the manufacturer's specifications using a torque wrench.
- Attach any additional components, such as the front sight tower, if applicable.

3. Usage:

- After installation, conduct a function check to ensure that the firearm operates correctly.
- Load the firearm with appropriate 5.56 mm NATO ammunition.
- Follow standard shooting practices to ensure safety and accuracy.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding hazardous materials.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or recycling centers for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support related to the AR15 M4A1 5.56 Barrel, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's official website.

Conclusion

Your safety and the safety of others is paramount when using firearm products. By following the guidelines and instructions outlined in this document, you can ensure safe and responsible use of your AR15 M4A1 5.56 Barrel 14.5in. Always prioritize safety and stay informed about best practices for firearm use. Thank you for your attention to these important safety measures.
