

1911 SLIDES - CASPIAN CARBON STEEL, NC SIGHT CUT, 9MM

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

Attributes

- Name: [CASPIAN CARBON STEEL, NC SIGHT CUT, 9MM](#)
- Manufacturer: [CASPIAN](#)
- Product no.: 168000050

Safety Instruction Guide for 1911 Slides Caspian Carbon Steel

Introduction

Thank you for choosing the 1911 Slides Caspian Carbon Steel. This guide provides essential safety instructions and information to ensure the safe use and handling of your product. Please read this guide carefully before installation and usage to prevent accidents and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Always ensure that the product is used in accordance with the manufacturer's instructions to avoid potential hazards.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for remedies.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** Extra care should be taken when the product is used by vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, contact the designated EU-based support.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate platform for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- Always handle the slide with care to avoid injury.
- Ensure that the firearm is unloaded before installing or handling the slide.
- Use appropriate eye protection when working with tools during installation.
- Avoid using the slide in wet conditions to prevent slippage during operation.
- Do not modify the slide beyond manufacturer specifications to maintain safety and functionality.
- Ensure that all components are compatible with the 1911 model before installation.
- Store the slide in a secure location, out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools for installation, including screwdrivers and wrenches.

2. Installation:

- Align the slide with the frame of the firearm.
- Securely fasten all screws and components as per the manufacturer's specifications.
- Check for proper alignment and movement of the slide.

3. Usage:

- Always ensure the firearm is pointed in a safe direction when racking the slide.
- Use the deepcut, forwardangled rear cocking serrations to rack the slide securely.
- Regularly inspect the slide for wear and tear or any signs of damage.

4. Maintenance:

- Clean the slide regularly to remove dirt and debris.
- Lubricate moving parts to ensure smooth operation.
- Check for any loose components before use.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local waste disposal regulations.
- If the slide is damaged beyond repair, consult local guidelines for the disposal of metal components.

Contact Information for Further Support

For any questions or concerns regarding the safety and handling of your 1911 Slides Caspian Carbon Steel, please refer to the manufacturer's support resources or your point of purchase.
