

1911 SLIDES - CASPIAN CARBON STEEL, NC SIGHT CUT, .40 S&W/10MM

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

Attributes

- Name: [CASPIAN CARBON STEEL, NC SIGHT CUT, .40 S&W/10MM](#)
- Manufacturer: [CASPIAN](#)
- Product no.: 168000051

Safety Instruction Guide for 1911 Slides Caspian Carbon Steel, NC Sight Cut, .40 S&W/10MM

Introduction

Thank you for choosing the 1911 Slides Caspian Carbon Steel, NC Sight Cut, .40 S&W/10MM. This product is designed for custom quality performance and safety. Please read this safety instruction guide carefully to ensure proper use and maintenance of the slide. Adhering to these guidelines will help you avoid potential hazards and ensure safe operation.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the slide by following all instructions and safety warnings.
- **Enhanced Recalls:** Be aware of any recall notices that may affect this product. If notified, take immediate action as instructed.
- **Online Shopping:** If purchased online, confirm that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact for this product.
- **Rapid Alerts:** Stay informed about any updates regarding the safety of this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for adult users only. Do not allow children to handle or use this slide.
- **Proper Handling:** Always handle the slide with care. Avoid dropping or mishandling the product to prevent damage or injury.
- **Use Correctly:** Only use the slide with compatible frames and components. Ensure the slide is fitted correctly to avoid malfunctions.
- **Firing Pin:** Use only a 9mm/.38 Super firing pin as specified. Using an incorrect firing pin can cause serious injury or damage.
- **Moisture Awareness:** Avoid using the slide in wet conditions. Ensure your hands are dry when racking the slide to prevent slippage.
- **Inspection:** Regularly inspect the slide for any signs of wear or damage. Do not use if any issues are detected.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Align the slide with the frame and ensure it is seated correctly.
- Secure the slide using appropriate fasteners as per the manufacturer's instructions.

2. Usage:

- Always check that the firearm is in a safe condition before loading.
- When loading, ensure the magazine is inserted correctly and the slide is racked to chamber a round.
- During use, maintain a firm grip on the firearm to prevent slippage.
- Follow all standard firearm safety practices, including keeping the muzzle pointed in a safe direction.

Disposal Instructions

- When disposing of the slide, follow local regulations for the disposal of metal products.
- Do not dispose of the slide in regular household waste.
- If the slide is damaged or no longer needed, contact local authorities or recycling centers for proper disposal options.

Contact Information for Further Support

For any further inquiries or support regarding the 1911 Slides Caspian Carbon Steel, NC Sight Cut, .40 S&W/10MM, please refer to the designated EU contact for this product.

By following these safety instructions, you can ensure safe and effective use of your 1911 Slides Caspian Carbon Steel, NC Sight Cut, .40 S&W/10MM. Thank you for your attention to safety.
