

# 1911 SLIDES - CASPIAN CARBON STEEL, BO-MAR SIGHT CUT, 9MM

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

## Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

## Attributes

- Name: [CASPIAN CARBON STEEL, BO-MAR SIGHT CUT, 9MM](#)
- Manufacturer: [CASPIAN](#)
- Product no.: 168000063

# Safety Instruction Guide for 1911 Slides Caspian Carbon Steel

## Introduction

Thank you for choosing the 1911 Slides Caspian Carbon Steel. This guide provides important safety instructions and guidelines to ensure safe usage and installation of the product. Please read this document carefully before using the slide.

## General Safety Guidelines

- Ensure that the slide is compatible with your firearm model before installation.
- Always handle the slide and firearm with care, treating them as if they are loaded.
- Keep the slide and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the slide for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and modifications.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction.
- Handling a firearm with a wet hand may cause slippage.
- Using incompatible components can result in unsafe operation.

- **Avoiding Hazards:**

- Ensure that the slide is securely fitted to the frame before use.
- Use a dry hand when racking the slide to prevent slippage.
- Always use the specified firing pin for the slide (9mm/.38 Super).
- Do not attempt to modify the slide or its components beyond the manufacturer's specifications.

- **Age Specific Warnings:**

- This product is intended for use by adults only. Ensure that minors do not have access to the firearm or its components.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Remove the existing slide from the firearm according to the manufacturer's instructions.
- Align the new slide with the frame and ensure it fits securely.
- Confirm that all components are correctly installed and functioning before use.

### 2. Usage:

- Always check the slide and firearm for proper function before each use.
- When racking the slide, use a firm grip to avoid slippage.
- Always point the firearm in a safe direction while loading and unloading.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the slide becomes damaged beyond repair, dispose of it in accordance with local laws regarding firearms and firearm components.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 Slides Caspian Carbon Steel, please reach out to the designated contact point provided by the manufacturer. Ensure that you have the product information on hand for a more efficient response.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your new 1911 Slides Caspian Carbon Steel. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
